

Staff of 50, \$290,000 Budget In Nearby Health District

Four major health services are provided by the East Side Health District, a governmental agency serving East St. Louis, Centerville and Stites townships, inquiry by the Press-Record showed today.

Operation of the nearby district is attracting local study because of the scheduled election Nov. 8 on creation of a Madison county health district. The services performed vary widely among such districts, but there is interest in the effectiveness of the East Side agency because it is the closest example of a health district already in existence.

The major services are disease prevention, dental service, environmental sanitation and nursing service. Related programs include classes for expectant mothers, cancer tests for women, chest x-ray surveys and maintenance of vital statistics records.

The staff of 50 persons includes eight physicians, most of whom spend two and a half days a week at the district's clinics. 13 nurses, eight sanitarians, two dentists, five public control personnel and six secretaries.

State, Federal Funds
Serving a population now estimated at 140,000 persons, the health district operated at a cost of \$286,969 during the 1959-60 fiscal year ending March 31. Salaries amounted to \$226,719 with \$15,286 spent on salaries and travel and \$44,883 devoted to general operating expenses.

Receipts of \$284,539 in 1959-60 consisted of \$190,621 in real estate and property taxes, \$41,885 fees, \$298 miscellaneous and the remaining \$13,964 received from state and federal subsidies. The \$239 excess in expenditures over income increased the deficit from \$65,933 at the start of the year to \$88,933 at year end. An operating balance was maintained by issuing tax anticipation warrants. The \$239 difference was attributed to a drop in assessed valuation.

Rise In Population, Costs
A comparison of years 1950, 1955 and 1959 shows the population rising from 114,000 to 124,000 and 138,000, with the property taxes and total budget changing from \$186,000-\$168,000 to \$140,000-\$268,000 in 1959. The 1959-60 budget was \$294,000.

Assessed valuation rose from \$37,000,000 to \$35,000,000 and \$37,000,000 during the same period, with the tax rate at 6.6 cents in 1950, five cents in 1955 and 6.6 in 1959. The rate has been at the maximum for many years except in 1955, when there were tax objections due to a balance at the close of the fiscal year.

"While cost of operation continues to rise because of inflation, there is not a corresponding increase in income," says the health district has levied the maximum tax of 6.6 cents per \$100 valuation for many years. Melvin A. Dobbs, acting director, said this week in reviewing the year's finances.

Urges Higher Rate
"The state legislature should be asked to consider enabling legislation to increase this maximum tax rate for local health districts to 10 cents. Even if the permissive tax rate for health purposes is increased to 10 cents, the rate would still be less than that for any other taxing body in the area." The maximum rate for county health districts is five cents.

In existence since 1938, the district feels that no problems of overlapping health services were encountered, Dobbs told the Press-Record.

At the time, the East St. Louis Health Department was the only existing health control unit in the area, and it was required to dissolve by state law when the four-township district was established, he added. He sees no duplication with health services provided by municipalities within the district's boundaries.

The district's program is supervised by a four-member board composed of representatives of each of the townships. The St. Clair county health board chairman meets with the group which employs an attorney.

Inspection, supervision, exercised supervision of water supply, swimming places, disposal and nuisances, rabies control, food and drink establishments, meat slaughtering, milk control and housing. Investigation of complaints about unsanitary conditions on private premises required 727 inspections.

With an average of two persons bitten by dogs daily, the district investigated 631 bites and placed the responsible dogs under quarantine periods. About 2600 dogs were vaccinated at an annual clinic.

The district inspected bakeries, confectioneries, restaurants, taverns, groceries and poultry houses, issuing 19 "C" stickers as well as "A" and "B" listings. Two places were ordered closed.

JACOBSMEYER'S MAVERN
CUT RATE LIQUORS

with 17 making necessary corrections.

An inspector was in attendance during slaughtering of 26,641 animals at the only non-federally-inspected meat plant in the district. Samples were taken monthly at four dairies, and 279 dairy farms were inspected bi-monthly. Three nursing homes and a sheltered care home were visited regularly.

Dental Clinic, Nursing
The dental clinic operated by the health district handled 6591 dental visits, plus 4334 examinations in schools and 468 persons given x-rays. There were 3161 extractions and 2502 miscellaneous treatments.

The nursing department, staffed by 12 nurses, a supervisor, a clerk and a part-time clerk, provided services in maternal and child health, pre-school, communicable disease, tuberculosis follow-up, handicapped children and school health. Bedside nursing service was provided on request on a demonstration basis.

Assigned specific areas in each of the townships, the nurses sought to recognize all health problems in the families they encountered. Contact was maintained with other community agencies to alleviate problems not handled by the district.

Five series of expectant mother classes were held, with 123 women enrolled, and home visits were made to 305 women. Continued medical supervision for every infant was made available through family physicians and at 34 "well-baby conferences" held throughout the district. For the year, 468 home visits were made.

School Health Service
Statistics on school health services were 1294 home visits, 4437 physical examinations in schools, 12,453 vision screening tests, 432 audiometer tests and 844 children referred to physicians.

Due to enrollment increases and inability to increase the district withdrew service to 14 schools in 1959-60. As a result, limited health service was provided in the district.

"Unless some is found to finance this rapidly expanding portion of our program, this pattern of serving only 75% of the school population yearly will, of necessity, continue," Renetta Healy, supervisor of nurses, reported.

Communicable Diseases
Immunization programs for communicable diseases were held twice weekly for persons unable to go to private physicians and for those referred by physicians. Mantoux tests were given in all high schools and for all teachers and other school personnel, with no active tuberculosis cases found. Of 1500 food handlers examined, one active case of tuberculosis and seven lung cancer cases were found.

Seven hundred throat cultures were taken from children chronically absent from school with sore throats and pupils referred by teachers due to sore throats. Thirty-five were found to be positive for streptococcus and were treated by family physicians. Penicillin for preventing recurrence of symptoms in known rheumatic fever cases, supplied by the state, was dispensed by the district to 208 children.

The University of Illinois Division of Services for Handicapped Children held 12 conferences in the district, and follow-up and home instruction was a part of each staff nurse's program.

Statistics compiled by the district showed that the infant death rate per 1000 live births dropped from 32.2 in 1957 to 28.3 in 1959, with the rate for those under one month of age declining from 23.6 to 10.1.

Father Of Mrs. Ervin Landwehrmies Dies

Ernst A. Diefenbach sr., 66, father of Mrs. Ervin (Virginia) Landwehrmies of Madison, died about 4:30 a.m. Wednesday at his home, 4809 North Park drive, East St. Louis. Diefenbach, who was a retired blacksmith and a native of Lew Wells, Mo., had been ill six months and had been under the care of a physician.

He was a member of St. Peter's Evangelical Lutheran Church.

Other survivors include his wife, Mrs. Rachel (Smith) Diefenbach, three brothers, two sisters and a grandchild.

Announcement of funeral arrangements is given in today's obituary column.

SHARING SCOUTING IDEAS at the Philmont Scout Ranch, Cimmaron, N. M., are (left to right) Ben Conger, assistant director of professional service, Boy Scouts of America; Richard Newcomb, assistant director of field operations on the national staff, and Dan Brown, Uniwash or Quad-City scout district executive, shown with a Uniwash commissioner flag, one of the unique objects of the local program that won praise at the training conference.

Praise For Local Scout Units' Program, Results

Just back from a training conference in New Mexico, Dan Brown, member of the Cahokia Mound Council professional staff, reported this week that "our council is considered tops in America."

While no specific ratings were given, discussions at the Philmont Scout Ranch near Cimmaron, N. M., showed that the local Boy Scout program rates well in comparison with leading councils of the nation, Brown said.

"Ves Klusman, national director of camping, cited results of surveys concerning the new exploring program, and indicated that the Cahokia Mound Council is far above average in results," Brown related. "Honors go to Dick Wohlenschlag, volunteer scout explorer chairman, and Don Dickerson, executive staff explorer coordinator, for the groundwork that they prepared."

"Chris Fuller, assistant finance director, was given a copy of the Sept. 6 edition of the Press-Record, in which a United Fund and Boy Scout article appeared. His comment was that 'this is the best article of its kind in support of the United Fund that I have seen.' None of the 25 men from 15 councils at the conference reported such success and cooperation as in the Tri-Cities Council, Fund and Cahokia Mound Council," Brown continued.

"Dick Potter, Philmont volunteer training director, announced that 1960 was a record year for outstanding volunteers in attendance, and cited the value of every council continuing to send men like Pete Carich, scoutmaster of First Presbyterian Troop Eight of Granite City, recipient of a foundation scholarship in 1960."

"Jack Shea, director of the ranch's camping department, said results in his field in 1960 likewise were pace-setting. He said even more scouts are expected in 1961 to enjoy the mountains of Philmont, as did members of Venice Explorer Post One this summer."

About one-half of California's entire land area is publicly owned.

Daylight Time Ends In Area On Oct. 30
Daylight saving time, which started April 24, will continue until the last Sunday of next month — Oct. 30.

City ordinances in the three local municipalities set the period of summer time from the last Sunday of April to the last Sunday of October.

"The hour of sleep lost last April 24, when clocks were advanced an hour, will be regained on Oct. 30, when clocks are to be set back an hour. The changeover takes place at 2 a. m."

Local Police To Attend Special Training Courses

Detective Sgt. Leo Padgett of the Granite City police department will attend a special course in identification to be conducted in Chicago, starting Monday and continuing through Friday.

Police Chief Raymond Wiltard said the course is based on a special kit which is being used

on a wide scale by departments throughout the nation for speedy identification of suspects.

Two other officers, Lt. George Teller and Detective Michael Devine will attend a special police training course at Carbonate, conducted by Southern Illinois University, to be held Oct. 9-15.

Schools To Study

(Continued from Page 1)

occur only where needed. Dr. Kaiser said, "We don't see crowded conditions at Granite City high school for some time. The new Wilson Avenue and Maryville road schools already are full."

"A study of shifts is not too great a problem, but for 12-month school we will have to find out whether the state will allow the full number of days in determining state aid. We are getting \$1,200,000 for year and we need state recognition for state aid."

Quarter Plan "Eventually"

Herbert Bischoff said, "The 12-month program is interesting, and I want to know more about it. At least three administrators have told me that eventually we're going to have it. Spengler said it might take five years, including two years 'for people to get' used to the idea."

Calling for an "unbiased approach," with "no leaning one way or the other," Bischoff said he believes "a lot of people talking about 12-month school don't understand it."

Spengler asked what types of shift schedules will be considered, and Dr. Kaiser said "a lot of schools with shifts would have two separate groups meeting about four and a half hours each. Programs with staggered starting times of 7, 8 and 9 a. m. are suitable only at the high school level, where physical education and study periods can be used to arrange the schedule during hours in which all students are present, the superintendent explained."

Federal Aid Possible

"It's possible that Congress will pass funds for school construction and teachers," Spengler commented.

Dr. Kaiser agreed that the staff should "investigate any kind of assistance from the state and federal governments," and added that this might become a factor in local planning because "we're the fastest-growing school area in Illinois, from what I have heard in Chicago."

Eubanks concluded that the study should show the impact of each of the three proposals on the local "community." "It will be up to the citizens to pick which plan will have the least impact," he concluded.

\$3,776,000 Record

(Continued from Page 1)

choff complimented the administrative staff for its handling of the funds, saying he knows of no similar procedure here until two years ago.

Non-Tax Income

The \$3,776,000 record between the \$3,776,332 levy and \$1,891,200 in other educational funds is expected to consist of \$1,891,200 in other educational funds, \$412,982 on hand for new construction, a \$200,000 balance in the building fund, \$1500 to be received by the building fund from the Granite City Housing Authority, a \$300,000 state transportation reimbursement and \$7000 transportation repayment from educational fund activities.

The \$50,000 building fund balance, representing interest and such economies as the delayed West 25th street junior high opening, prompted the \$3,776,000 budget change in the building fund contingencies account. Spengler said that the change does not affect taxes.

The \$1,891,200 educational receipts are to consist of \$1,244,750 state aid, \$75,000 federal aid, \$420,510 lunch receipts, \$28,800 book rentals and bookstore sales, \$6500 from the national defense act, \$17,800 from adult education, \$17,840 vocational reimbursement, \$25,000 from special education, \$35,000 military encampment aid, \$10,000 driver training reimbursement, \$7000 from athletic events, \$4000 from the housing authority and \$1000 in building rentals.

Questions Source Of Funds

With Dr. Kaiser estimating that the new budget includes \$202,000 for debt reduction, Board Member Monroe Worthen made a series of inquiries about attempting to pinpoint the source of the funds. He said he recalled that teacher salary boosts were estimated at \$148,000 for 1960-61, with only \$288,000 available.

Dr. Kaiser cited the income from investments, various economies and the presence of more young teachers than anticipated, resulting in more being paid on lower brackets of the salary schedule.

In paying bills of \$32,809 for educational purposes, \$4865 building purposes, \$3530 new construction, \$3268 federal construction and \$10,408 insurance, the board ordered a study of water and electric bills. It was noted that they vary widely between different schools.

C. of C. Supports

(Continued from Page 1)

for the first week in November. Tickets for the C. of C. Agriculture-Industry-Business Dinner, an annual event to be held Oct. 5, are selling "fast," according to Arthur Buente, who said numbers of farmers were making reservations, and urged all C. of C. members to attend or be represented.

Directors also heard from the Shoreline Lake Committee relative to work in advancing the project which calls for a lakefront state park. The legislature has set aside a \$4,000,000 appropriation for such a park. Gov. Stratton has indicated he will act to work in the funds for work "in the fall."

The C. of C. will be represented at the "Salty" Parker banquet here Saturday night, and at the ceremonies at Busch Stadium, Sunday, Parker.

Mrs. Burroughs, 85, Dies Here Wednesday

Mrs. Lucy Burroughs, 85, died Wednesday morning at the home of a daughter, Mrs. Lee Black, 2108 Troy street, Madison. She had been seriously ill for the past two months.

Mrs. Burroughs also is survived by another daughter, Mrs. Opal Hathaway, Des Plaines, Ill.; a son, Adrian Burroughs, Xenia, Ill.; a sister, Mrs. Margaret Hendricks, Dunder, Fla.; a brother, William Weatherbee, in Wyoming; six grandchildren and 12 great-grandchildren.

Funeral services will be held at 2 p. m. Saturday at Flora, Ill. Burial will be at Xenia.

GCNS Night School Registration Extended

With 250 registering during the first three days, Granite City high school's adult education registration has been extended to include all of next week. Hours will be 8 a. m. to 4:30 p. m. Monday through Friday and 6 p. m. to 9 p. m. Monday through Thursday.

Driver training already has reached its maximum of 52 students, and no more can be accepted. Night school courses added include blueprint reading in specific trades and operation of power plants. Classes will start Monday.

Recruit Training Ends

Marine Pvt. Richard G. Smallwood, son of Mrs. Dorothy M. Smallwood of 2212 Alexander street, completed recruit training this month at the Marine Corps Recruit Depot, San Diego, California.

United Fund Campaign

(Continued from Page 1)

Illinois Power Co. is covering the area's utility firms.

William C. Brockus of Brockus Machine Co. has recruited a team to approach other manufacturers, and will be assisted by Dale Arnette, Oscar Albert Chester Baker, Vincent Bischoff, Chris Kasiloff, John Lentz, James Louis, Milton Morris, Edward Nichols, Carl Ranit, Gene Sternberg and Glenn Wolfe.

Transportation Leaders

Solicitation of transportation companies is in the hands of a group headed by W. J. Edmonds, traffic manager of the Granite City Steel Co. His drive team mates are T. M. Biederman, L. P. Juenger, Roy Krenz, T. L. Lyons, Michael Maccek, Stephen Putnick and J. G. Thomason.

Contractors are assigned to Carl Lomax, of S. M. Wilson Co., assisted by M. Freeman Wolf, Courtland Lybarger, Tom Studebaker, Gene Sternberg, James Frey, Donald Partney and Eugene P. Ellberg.

Lomax and Morris are on the United Fund's executive committee, while Baker, Sternberg, Wolfe, Hoelscher and Schmitt serve on the board of directors.

Wolfe headed the health services agency budget panel of the Admissions and Distribution committee.

Burglars Enter

(Continued from Page 1)

trance apparently was not gained.

All three break-ins occurred either Tuesday night or early Wednesday morning.

Robbed Of \$140 By Man

Perry "Curly" Emerson, 72, told Madison police that a drinking companion robbed him of \$140 at 4:30 p. m. Tuesday. At the time, the pair was on a road between the Engineer Depot and Dow Metal Products Co. Emerson lives at Lakeside Tavern, Route 111.

An open safe and several rooms were ransacked by burglars who broke into Mt. Zion General Baptist Church, 21st and Benton streets, early this week. No loss was reported.

The break-in was discovered Tuesday morning by Elmer Miskelly, who notified police. Investigating officers said a small piece of glass in a basement door was broken to gain entrance.

The burglars ransacked a safe that had been left open and also scattered materials in several rooms in an apparent search for money. The break-in occurred between 10 p. m. Sunday and 10 a. m. Tuesday.

A radio worth about \$30 was stolen from a garage workshop sometime during the past few days. It was reported to Granite City police by the owner, Byrl Kent, of 2601 Hodges avenue. The set had been taken without forcing entrance.

A new whitewall tire and a wheel were stolen off the 1957 auto of Shad Craycraft, according to a report Monday night to Granite City police. Craycraft said the theft occurred between 5:25 and 9:45 p. m. while the car was parked in the driveway at his home, 1800 Bremen avenue.

Completes 'Boo' Training

David L. A. Cornett, son of Mrs. Melba A. Cornett of 2607 Kirkpatrick Homes, graduated from recruit training this month at the Naval Training Center, Great Lakes, Ill.

Increase In Price Of GCHS Football, Basketball Tickets

Admission price for adults at Granite City high school football and basketball games was boosted by the school board Tuesday night, effective with the newly started school term.

The 35-cent fee for students will remain the same, but football tickets for adults will rise from 75 cents to \$1, and the fee for basketball games will be increased from 60 to 75 cents. Season tickets providing reserved seats at basketball games will remain at \$7.50.

The recommendation to the board for the price changes cited increases in the cost of athletic equipment and insurance.

With Granite City football tickets now costing \$1, all Southwestern Illinois conference schools except Edwardsville and Alton will be at that level. These two schools still charge 75 cents, and Belleville has some 75-cent seats.

The new fee for basketball will put Granite City on the same level with all but Collinsville and East St. Louis, each of which charges \$1.

The board discussed possible resumption of football season tickets, and Robert Spengler said this would bolster the receipts on incident nights as well as reducing the length of ticket lines. It was decided to study the proposal for the 1961 season.

Board President Homer Hubert noted that other conference schools do not charge admission for wrestling meets, and the board decided to continue the local fee, noting that wrestling is given the status of a major

Venice Downs Livingston In Opening Game Tuesday, 17-3

John Corrie struck out 12 and allowed only three hits as the Venice Red Devils opened the Madison-Bond-Clinton counties fall baseball conference season Tuesday with a decisive 17-3 win over Livingston on the losers' diamond.

Don Devany, who split the Devil catching chores with Bill Cowley, had four hits, including a triple, and Corrie hit safely three times. Zahn Wells' squad collected 12 hits.

Pete Fields tripped, Bill Shambro had two singles, and Bill Austin and Jack Fields rounded out the attack with one-base hits. Wells used 15 players in the game.

Venice scored five runs in both the fourth and seventh innings, got three in the fifth, two in the second and one in the first and third innings. The Red Devils were helped by six Livingston errors, while committing three miscues themselves.

Tomorrow, Venice will play the first of four home games against Lee Park, Bunker Hill will furnish the opposition at 4 p. m.

at GCHS. Some non-conference schools that offer the strongest wrestling competition to Granite City charge admission to meet to help finance the athletic program, the discussion brought out.

Warriors Open At Home Friday Against Assumption

Low-Scoring Game Looms; Granite City Line Shows Improvement

Granite City head football Coach Andy Sullivan voiced a note of cautious optimism as his Warriors went through their first day of pre-season practice in preparation for tomorrow night's home opener against the Assumption Pioneers of East St. Louis.

Touchdowns are likely to come Hoffman at left end and Burns, few and far between in the contest, but Sullivan was feeling a bit more satisfied with the showing of his offensive and defensive linemen as workouts tapered off today. "They've been going better—both ways," he remarked.

The only major change in the offensive lineup made by the GC mentor from pre-season alignments was the moving of Bob Summers back into the line from the halfback slot from which he had been running. Summers will start at center.

Still on the questionable list as a starter is 251-pound guard Bill Ridings, who has not fully recovered from an ear infection, but he may replace Ridings tomorrow.

Also on the Warrior injured list are halfbacks Dave Sparks and Bob Bell, both suffering from sprained ankles. Sullivan said Sparks "might have started" had he not twisted an ankle in practice earlier this week.

Four interior linemen on the left side are battling for starting berths. Sullivan will use John Plese or Don Pindell at left tackle and either Al Lewis or Dan Ham at the adjoining guard position. Lettermen who are probable starters include Pindell, Lewis, Right End and Quarterback Jerry Wallace and Halfbacks Bob Barry and John Grobowski.

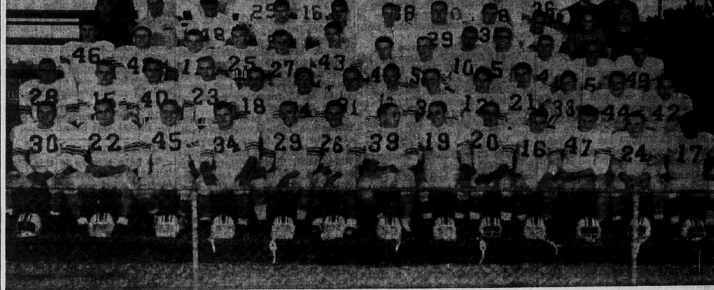

Down in Pioneerland, Head Coach George Martz, whose squad averaged a winning record, is singing the blues as usual. "We'll probably play to a 0-6 tie," he said.

Meeting at the Moose Club in East St. Louis, the league named seven officials and team managers to the constitution revision committee and is to add an eighth member, a representative of the Inter-City arbitration board, at a later date.

Members of the committee are John Harrison, manager of Mac-Martin Butek; Don Kratochvil, manager of White City; Howard Darrt, State Savings manager; Wheeler King, league umpire in chief; Vernon Lucas, league president; Henry Huser, league vice-president; and Carl Wallen, statistician.

The committee is to meet in November or December to study the league constitution, which was last revised in 1952. Its responsibilities will be to present before a general meeting of league members in February for approval or rejection.

Wallen said major points to be discussed by the committee include the manner in which un-

Smith, Bayer Pace Classic Keglers

Wilbur Smith's 651 series and a game of 265 pins by Ki Bayer highlighted pin-knocking in the Quad-City Classic league last night at Bowland. Ray Hoffman was right behind Smith with 646.

Thirty-eight 200-plus games were turned in by the keggers. 10 of whom knocked down 600 or more pins in three-game series. Lucky Cats scored the only three-game sweep, topping Val-U Stamps. American National Bank, Schlitz Beer, Surrey and Alwood Fuel were 2-1 winners.

Mr. And Mrs. James Vescei Observing 50th Anniversary

A family banquet will be held this evening to honor Mr. and Mrs. James Vescei on their golden wedding anniversary.

The dinner is being held at the home of a son, Anthony Vescei, 2423 Lynch avenue, for the members of the family, including four sons, three daughters, 19 grandchildren and two great-grandchildren.

Mr. and Mrs. Vescei, who were married near Naples, Italy, on Sept. 15, 1910, have resided here 40 years, moving to Granite City from St. Louis where they arrived from Italy in 1913. Vescei is 70 years old, his wife 68.

He was employed at the former Coke Plant, now the blast furnace department of Granite City Steel Co., and retired from the American Steel Foundries plant about four years ago. The couple resides at 2216 Waterman avenue.

Their sons are Anthony, Almerman Frank Vescei and Michael Vescei, all of Granite City, and Ralph Vescei of Troy; and the daughters are Mrs. Stanley (Jane) Podraza of Granite City; Mrs. Milan (Ann) Fischer of Collinsville and Mrs. Bernard (Rose) Parker of Morton, Ill.

Webster School PTA Holds First Meeting Of Year

Parents of Webster school enjoyed room visiting Monday evening before the first regular meeting of the PTA for the fall held in the gym. Don Seitzer, president, was in charge.

The PTA program was offered by Clyde Lee, principal, and the attendance banner was awarded to Mrs. Elmer Gruen's second grade room.

Mrs. Jack Ross, program chairman, introduced the speaker for the evening, Dr. Harold Kaiser, superintendent of schools, who gave an informative talk on the rapid growth of the school population. In 1950 the student population was 5431 as compared to 11,114 at the present time.

After adjourning refreshments were served in the cafeteria to approximately 100 persons. The executive board members made up the hospitality committee.

Sorority Meets At Brackett Home

Theta Iota Chapter of Beta Sigma Phi opened the 1960-61 season last night with a meeting in the home of Mrs. Leland Brackett, 2301 Gary avenue.

The president, Mrs. Phillip Tsigaloroff, called the group to order and introduced Miss Alice Vig and Miss Ruth Shaw, who reviewed plans for charity projects during the coming year. The members also accepted the cultural study and subsequent discussion on "The Importance of Proper Introductions and the Effectiveness of Written Introductions."

The hostess award for the evening was presented to Mrs. Harvey Ebling and a dessert course was served at an attractively appointed table centered with a bouquet of fall flowers.

The next meeting of the chapter will be held Sept. 28 in the home of Miss Coffman, Dunlap Lake, Edwardsville.

Tri-City Greeters Hold 1st Meeting

The first meeting of the season was held by the Tri-City Greeters Club Tuesday evening in the home of Mrs. Al Barnes Jr., 2615 Edison avenue.

Mrs. Mary Ann Grube conducted the meeting which was attended by 20 members and guests. Prizes were won by Mrs. Carolyn Moske and Mrs. Betty Larkin.

Refreshments were served from a buffet table, and coffee was poured by Mrs. Lillian Fredricks. Guests included Mrs. Judith Sheely, Mrs. Angie Tindall, Mrs. Beth Ward, Mrs. Evelyn Henderson and Mrs. Helen Roussin.

A 6:30 pot luck supper will precede the Oct. 11 meeting to be held at the Elk's Club.

St. Mary's PTA Told Of Europe Trip By Pastor

Mrs. Dorothy Berggrath, president of St. Mary's PTA, conducted a monthly meeting Monday evening in the cafeteria of St. Mary's school, with 35 members responding to roll call. Mrs. Linda Noud, Mrs. Marilyn Heckle, Mrs. Marian Dittman and Mrs. Polly Tutka were welcomed as new members.

A social will be given Oct. 23 in the school cafeteria by the members, and a bake sale will be held Oct. 1 and 2 in the chapel room of St. Mary's Church.

PTA ladies' bowling teams will continue to meet each Thursday from noon to 3 p. m. A trophy won by one of the teams was displayed.

The school sisters are to attend the next monthly meeting.

Fr. Engelbert Biemek spoke to the ladies of his trip to Europe this year and experiences in the various countries he visited. He returned recently from the trip.

A social time was enjoyed by the members, and refreshments were served by the hostesses, Mrs. Ann Grankinoff, Mrs. Lucille Mossa, Mrs. Margaret Kulaseca, Mrs. Caroline Sandors and Mrs. Joann Spohr.

Shower Honors Bride-To-Be

The wedding of Miss Coker will be married Oct. 15 in North Michel, was complimented last night at a surprise personal shower given by Miss Betty Jean Gitcho, 810 Madison avenue, who will be a bridesmaid at the wedding.

Decorations carried out the bridal theme and above the gift table were large white bells and an open umbrella which formed a canopy. A miniature bride, wedding bells and white tapers in crystal candelabra adorned the serving table and favors were small sprinkling cans.

Games were enjoyed during the latter part of the evening and a number of prizes were awarded.

Present were Misses Gloria Allen, Mary Garvin, Roberta Mateyka, Dorothy Kello, Betty France, Martha Seebold, Helen Seroff, Linda Hawn, Patsy Cronovich, Shirley Cronovich, Mrs. Agnes Freeman, Mrs. Valencio Novosel and the honoree.

The wedding of Miss Coker and Mr. Michel will take place at St. Peter Evangelical & Reformed Church, 21st street and Cleveland Blvd.

MRS. BLOODWORTH
HOSTESS FOR CLUB

Mrs. Jennie Bloodworth, 2026 Clark avenue, entertained her birthday club Wednesday and included one guest, Mrs. Violet Adams.

A pot luck dinner at noon was followed by games and prizes were won by Mrs. Myrtle Strain, Mrs. Dell Spengler and Miss Magel Gaskill.

CELEBRATING ANNIVERSARY. The 40th anniversary of the Jolly Twelve Pinocchio club was celebrated at a luncheon and party Tuesday at the Rose Bowl. Of the five original members who remain in the club four were present. They are seated, left to right, Mrs. Theresa Bertran, Mrs. Marceline Jung, Mrs. Louise Genard, and Mrs. Agnes Gaughan. Mrs. Sophie Koesterer is hospitalized and was unable to attend. Standing are Mrs. Jean Barnes, Mrs. Kathryn Robertson, Mrs. Agatha Sparks, Mrs. Kathryn Smithson, Mrs. Myrtle Ryan, Mrs. Grace Greene and Mrs. Sophia Parker.

Jolly Twelve Club Observes 40th Anniversary With Party

The Jolly Twelve Pinocchio club met Tuesday at the Rose Bowl to observe the 40th anniversary of the club with a luncheon and party.

Four of the original group which organized the club in 1920 and have been active since that time were present, including Mrs. C. W. Genard, Mrs. H. C. Bertran, Mrs. Marceline Jung and Mrs. Agnes Gaughan. Another, Mrs. Sophie Koesterer, is hospitalized and was unable to attend.

Others present who have been added to the roll through the years were Mrs. Jean Barnes, Mrs. Kathryn Robertson, Mrs. Agatha Sparks, Mrs. Kathryn Smithson, Mrs. Myrtle Ryan, Mrs. Grace Greene and Mrs. Sophia Parker.

Officers were named at the meeting and Mrs. Smithson and Mrs. Ryan were re-elected president and vice-president.

Luncheon was served at a large table decorated in red and white and a large anniversary cake topped with lighted candles formed the centerpiece.

The afternoon was spent at games and prizes were won by Mrs. Smithson, Mrs. Ryan, Mrs. Genard, Mrs. Barnes, Mrs. Jung and Mrs. Bertran.

The next meeting will be in the home of Mrs. Jung on Aubrey avenue in two weeks.

City's Traffic Accident, Injury Rates Soaring

Traffic accidents and resultant injuries are occurring at a record rate this year in Granite City.

Police records for the first eight months of the year show 285 accidents are reported daily, a sharp increase over the 245-a-day during the same period in 1959.

Injuries, resulting from traffic accidents, have reached a point of nearly one each day.

However, there is a bright side, and police records clerks, with fingers crossed, point to the department's accident location map which is without a fatality pin for the first eight months of the year. In 1959, there were two traffic deaths in the city, one in January and the other in June.

With the 76 accidents and 30 injuries reported in August, the eight-month totals for the city now stand at 687 accidents with 203 injuries. In the same period of 1959, there were 599 accidents with 174 injuries and the two fatalities.

Month Ahead Of 1959
Actually, the accident and injury rates are more than a month ahead of last year's nine-month totals. In nine months last year, the totals were 674 accidents and 197 injuries, with the 10-month figures hitting 702 and 224.

The 76 traffic mishaps reported in August was below the 80 predicted by police, who have not yet prepared a prediction for September.

Of the 76 August accidents, 18 occurred on Madison avenue, the most heavily traveled thoroughfare.

A breakdown of this year's accidents and injuries by months follows:

January—92 and 25 February—96 and 20, March—87 and 21, April—83 and 23, May—91 and 31, June—82 and 22, July—90 and 31 and August—76 and 30.

Committees Appointed For Legion Post 113
Membership and district convention committees were appointed Tuesday night during a regular meeting of Tri-City American Legion Post 113 at the post home.

Selected by junior vice-commander Joseph Gottfried to serve on the membership committee were Waldo Mott, Stanley Edwards, Joseph Summers, Elwood Hansen, Eugene Ross, Richard Blackwell, Guy Cooper, Harry Montague and Wilbert Niepert.

Gottfried reported that 60 Legionnaires have already renewed their membership for 1960-61. Free membership deals will be distributed, and are to be affixed to auto windshields.

LaVerne Brewer, a member at the local post and chairman of the 22nd district's annual convention, selected a convention committee made up of Alex Duccini, William Cauble, Summers, Stanley Edwards, Niepert, Gottfried, A. Burt Harris, Sidney Strotheide, George Durbin and Ross.

Legion plans to sponsor a city-wide blood donor program were discussed. Headquarters would be the post home and a committee headed by Duccini is to be formed to contact other organizations which may be interested in such a program.

Saturday night the post will sponsor a record dance for members and their families. Lunch was served to 32 members following Tuesday's business meeting.

Hit-Run Accident
An auto parked on a lot in was the 1500 block of Ponton road was damaged between 6 and 11 p.m. Tuesday when the right side was struck by a hit-run motorist, according to a report made to Granite City police by the owner, Ada Hudson, 4168 Nameoki road.

Two Charges Filed Against Driver In Crash
Charges of careless driving and improper display of license — only one state plate — were placed against William E. Simpson, 25, of Route 111, following an accident in the 2300 block of Bryan avenue early Wednesday morning. Simpson posted his driver's license as bond to appear for a hearing today.

He told police he was driving south on Bryan avenue when he lost control of his car, crossed the pavement and crashed into the left front of a parked car belonging to Herbert Bittick, 2308 Bryan avenue. No injuries were listed.

City Fund Audits On Public Display
Audits of Granite City accounts, including special funds set up for the Nameoki sewer system, showed all of the city's accounts to be in order on April 30, the close of the fiscal year.

The audits, prepared by Jack D. Higgins, a Belleville accountant, are currently on public display in the city hall office of Comptroller John Donher.

The city's cash balance on April 30 was \$254,500, and accounts receivable amounted to \$17,201.

Among the bills owed the city is \$875 due from Melvin Pashea on the purchase of old quonset huts which were abandoned several years ago as emergency housing for veterans. The huts were located on a block in Lincoln Place.

Other amounts owed the city are for improvements Projects which are being paid by property owners over a period of years. They include \$15,000 on special sewer line construction in the Nameoki area, \$257 for the Edwardsville road sidewalk paving project, \$138 for a Monroe street sidewalk project and \$931 for sidewalk work on Washington avenue and Iowa street.

The Nameoki sewer fund audits show the city receives monthly rental fees for 4557 connections — mostly \$2.50 a month for residences. Of the 4557 connections, 3483 are on the original and area No. 2 lines, while the remaining 1174 are on trunk lines installed by subdivider.

In most cases, the notes, the posters are attached with large-headed nails. If a lineowner's climbers strike the nail head, there's a good chance of him slipping, losing his hold, and falling.

The results can be a serious injury. Schmitt said he hoped politicians and their workers would refrain from using power poles for advertising. He emphasized that such posting was money wasted, as they will be removed as soon as discovered.

Youth's Hip Injured When Auto Falls
St. Elizabeth Hospital had space of minor accidents for emergency care on Tuesday.

Following treatment, all were released, including a 20-year rural Granite City youth whose right hip was injured when an automobile fell on him.

He is Richard Myers, Rural Route One, who following x-ray examination and treatment, was released.

Others treated Tuesday included Elizabeth Zelenka, 24, daughter of Mr. and Mrs. Thomas Zelenka, 2120 Delmar avenue, who fell from a sliding board at her home and sustained scalp lacerations.

While roller skating in her neighborhood, Linda Todoroff, 8, of 2508 Denton street, cut her left knee on the license plate of a parked automobile. She apparently collided with the vehicle, receiving a long, painful wound. The injury was sutured and she was released.

Linda is the daughter of Mr. and Mrs. Theodore Todoroff. She returned to school Wednesday.

City Fund Audits On Public Display

Audits of Granite City accounts, including special funds set up for the Nameoki sewer system, showed all of the city's accounts to be in order on April 30, the close of the fiscal year.

The audits, prepared by Jack D. Higgins, a Belleville accountant, are currently on public display in the city hall office of Comptroller John Donher.

The city's cash balance on April 30 was \$254,500, and accounts receivable amounted to \$17,201.

Among the bills owed the city is \$875 due from Melvin Pashea on the purchase of old quonset huts which were abandoned several years ago as emergency housing for veterans. The huts were located on a block in Lincoln Place.

Other amounts owed the city are for improvements Projects which are being paid by property owners over a period of years. They include \$15,000 on special sewer line construction in the Nameoki area, \$257 for the Edwardsville road sidewalk paving project, \$138 for a Monroe street sidewalk project and \$931 for sidewalk work on Washington avenue and Iowa street.

The Nameoki sewer fund audits show the city receives monthly rental fees for 4557 connections — mostly \$2.50 a month for residences. Of the 4557 connections, 3483 are on the original and area No. 2 lines, while the remaining 1174 are on trunk lines installed by subdivider.

In most cases, the notes, the posters are attached with large-headed nails. If a lineowner's climbers strike the nail head, there's a good chance of him slipping, losing his hold, and falling.

Political Posters Bane Of IP Utility Poles
This is campaign time, and the Illinois Power Co. again is plagued with a rash of political posters tacked up on utility poles.

This is not only illegal, said E. C. Schmitt, manager, this week, but is also dangerous to IP workmen.

In most cases, the notes, the posters are attached with large-headed nails. If a lineowner's climbers strike the nail head, there's a good chance of him slipping, losing his hold, and falling.

The results can be a serious injury. Schmitt said he hoped politicians and their workers would refrain from using power poles for advertising. He emphasized that such posting was money wasted, as they will be removed as soon as discovered.

MHS Students Employ Secret Ballot For Class Elections

High school students in Madison held the usual September class officer elections at the school yesterday, but got an appropriate election year lesson in civics when the secret ballot and voiceless ballot were put into use.

Principal John Palchick said today that Wednesday marked the first time that such a system had been used in the high school's history. In the past the elections have been held during the first class meetings of the year, with students merely raising their hands to cast a vote for the candidate of their choice.

This year, however, following the nomination of class officers, voting booths were set up in a hallway at the high school. Students lined up, cast their ballots in secret, then dropped them into ballot boxes.

Voting periods were before classes yesterday, during the lunch hour and from 3:30 until 4 p. m. after school. The ballots were then tabulated by class advisors.

Senior class officers for 1960-61 are Shirley Barton, president; George Marley, vice-president; Phyllis Lapinski, secretary; and Edward Walker, treasurer.

Junior class members elected Paul Czervinski as president, Connie Gadowell as vice-president; Sandra Consiglio as secretary and Mae Ella Barrett, treasurer.

A final tabulation of sophomore ballots showed Larry Lunsford as president; Jimmy Button, vice-president; Jacqueline Mosley, secretary; and Bernadette Sabo, treasurer.

Officers of the freshman class are Billy Kalchick, president; Anna Jefferson, vice-president; Phillip Fraundorf, secretary; and Donna Smith, treasurer.

Mrs. Mary E. Baker, 56, Succumbs Tuesday
Mrs. Mary Elizabeth Baker, 56, wife of William Baker of 2048 Park avenue, died Tuesday morning at the Centerville Township Hospital. She had been in ill health for a year, and a patient at the hospital for 3½ months.

Mrs. Baker was a member of the Church of God and of the Eagles Auxiliary No. 1126. A native of Tennessee, Mrs. Baker had been a resident here for the past 19 years.

In addition to her husband, she is survived by three sisters, Mrs. Minnie Bradley, East St. Louis, Mrs. Ida Grudell, Granite City and Mrs. Agnes Barnes, Stewart county, Tenn.; four brothers, Robert and Charles Mathis, Detroit, and Lee Mathis, Stewart county and Leonard Mathis, Houston county, both in Tennessee, and one grandchild.

Announcement of funeral services is given in today's obituary column.

Police Answer 2 Calls On Boys, Fires, Find None
Two complaints, received less than 15 minutes apart from different sections of town, sent Granite City police to investigate reports of boys building fires in the street Tuesday night.

The first report was recorded at 8:30 p.m., when police were unable to locate either boys or a fire at McKinley and Harding avenues in West Granite. At 8:45, they answered a similar call from National and Wilson avenues in the Nameoki area, and again were unable to find boys or a fire.

SAFETY OF CHILDREN in traffic is discussed by Lieut. Paul Moore of the Granite City police department during a special safety meeting with Dressel-Young Dairy

Dairy Drivers Launch Child Safety Crusade

Dairy employees in the Quad-City area today became special emissaries of safety as they joined more than 30,000 other dairy-men in a month-long campaign highlighting continuing efforts to protect children from motor vehicle accidents.

The campaign, known as "Crusade Child Safety," is a nationwide program being conducted during the period of Sept. 15 to Oct. 15, as the nation's children once again resume their school activities.

It is sponsored nationally by the Milk Industry Foundation, dairy trade association, and over 200 milk and ice cream companies are participating. Dressel-Young Dairy is the local sponsor.

Meet With Police
A pre-crusade safety meeting of all Dressel-Young drivers was held early this month.

Chief Ray Willard and Lieut. Paul Moore of the Granite City police department spoke to the drivers on traffic safety and John L. Dressel, vice-president of the firm, presented a special "flip card" program designed for milk drivers, pointing out the unusual hazards facing them and detailed ways of avoiding accidents.

"Since milk drivers spend a good part of each day in residential and school areas, it is only natural that they should be vitally concerned with child safety," Dressel said. "However,

Co. drivers, marking the start of month-long participation in "Crusade Child Safety." John L. Dressel, vice-president of the firm, is seated to the left, and Police Chief Raymond Willard is at the far right.

PROCLAMATION CRUSADE CHILD SAFETY

WHEREAS, the safety of every school child is of vital concern; and

WHEREAS a community is judged by its awareness of civic problems and its ability to meet these problems; and

WHEREAS The Dairy Industry is participating in a nationwide effort to save lives and reduce injuries; now

THEREFORE, we, the Mayors of Granite City, Madison and Venice, in full appreciation of the humanitarian endeavor hereby proclaim Sept. 15 through Oct. 15, 1960, as "Crusade Child Safety Month," and do urge all civic and private business associations to cooperate in its observance.

LEONARD R. DAVIS, Mayor, Granite City
STEPHEN MAERAS, Mayor, Madison
DR. JOHN E. LEE, Mayor, Venice.

years has been virtually spotless. We are proud to join with dairy firms throughout the nation in bringing to the public the vital message of child safety."

PROGRAM OUTLINED

AT CHURCH RETREAT

A "church life retreat" of the God Shepherd Evangelical United Brethren Church was held Sunday at the Pentecostal camp grounds near Mitchell. The program for the coming year was planned in advance by the committees of the church, and the plans were presented to the congregation and voted on.

Rev. B. L. Bryan, pastor, served as chairman for the committees. Plans were made for a parking to be installed near the church in the next few weeks; a custodian to care for the church to be employed; a mid-week Bible study and prayer meeting on Wednesday; a monthly meeting for Sunday school teachers; an attempt to secure assistant Sunday School teachers for each class; a speaker from Indiana Central College on April 9, 1961; and two family night programs devoted to traffic safety and accidents.

On World Service Day, the first Sunday in February, the women's group will have charge of the worship service. During the spring, an evangelist meeting will be held.

A witness report and an inspirational service were held, and a Rev. Calvin Marcum of the Nameoki Presbyterian Church spoke to the group.

MISSIONARY MEETING

The Women's Missionary Society of Good Shepherd, of Indiana United Brethren Church met Monday at the church. Mrs. Wanda Talley, president, opened the meeting with a prayer and conducted the business session.

Reports were given by Mrs. Nancy Ford, theme for the program was "Our Unity in the Local Church," with Mrs. Susan Woodmansee as leader. A lesson on prayer was given. The hostess of the month was Mrs. Lillie Loar, who served refreshments to the above and Mrs. Jessie Drury, Mrs. Emma Bryan, Mrs. Delores Forsing, Mrs. Mary Layton, Mrs. Pat Enring, Mrs. Virginia Rainwater and two guests, Mrs. Eleanor Casey and Mrs. Kay Niles.

Den One of Cub Pack 122 of the Wilson avenue school met Tuesday in the home of Mrs. Beverly Singleton, 2812 Edgewood avenue. A project of making earnings was completed and participation in the next pack meeting was practiced.

A brief ceremony was held to elect a new dinner, Mace Rodgers, and an assistant dinner, Eddie Duke. A scout prayer closed the meeting, and refreshments were served to Steve Killian, Rex Buran, Bruce Jones, Mace Rodgers, Mike Mayes, Steve Harris, Keith Rodgers, Larry Harris and Eddie Duke.

Mr. and Mrs. James Sherman and children, to Lynn, Judy and Jackie, 2016 Edgewood avenue, had as guests for several days this week Sherman's parents, Mr. and Mrs. Kenneth Sherman of Syracuse, N. Y.

Cub Pack 122 of the Wilson avenue school PTA will collect newspapers from in front of homes Saturday morning.

14 Indictments; 5 No-True Bills Returned

Fourteen indictments and five no-true bills were returned Tuesday at Edwardsville by the circuit court grand jury. All indictments were ordered suppressed until bench warrants are issued on defendants' benches for arraignment at 1:30 p.m. Friday.

The jury, empaneled for the May term, was recalled Sept. 6. Upon returns made to Circuit Judge James O. Monroe, Jr., jurors were dismissed. A new grand jury will be called Oct. 17. No Quia-Corpus cases or individuals were involved in the no-true bills.

Dumonts Parents Of First Child

Mr. and Mrs. James Dumont of Livingston, Ill., are the proud parents of a son, their first child, born Wednesday. The new arrival, who has not been named, weighed nine pounds, four ounces. Mrs. Dumont, the former Betty Andrews, a daughter of Mr. and Mrs. Thomas Andrews, 2903 Sunset drive, was formerly employed as a secretary to Dr. Harold Kaiser, superintendent of school.

Mr. Dumont is a member of the faculty of the Granite City high school.

PLAN PTA MEETING

The executive board of the Marshall school Parent-Teacher Association held its first fall meeting Monday in the school gymnasium. Paul Welsh, president, was in charge and plans were discussed for the regular PTA meeting, Sept. 19, at 7:30 p.m.

Guest speaker will be Dr. Rump, who will discuss "Family Relations." The class will receive a percentage of parents present will receive a surprise award for the children. Refreshments will be served Monday by the executive board.

CELEBRATE BIRTHDAY

The fourteenth birthday of Kathy Talley, daughter of Mr. and Mrs. Wendell Talley, 2104 Wilson avenue, was celebrated Monday with a party in the Talley home. Games were played and dancing was enjoyed. Cakes and ice cream were served to Mr. and Mrs. Kenneth Forsing and children, Kenny and Darlene, Mrs. Catherine Seidick and daughter, Mary Kay, John Bob and Dick Minemeyer, Jackie Watkins, Don Elder and Nita Talley. The honoree received gifts.

Brownie Troop 12 of the Wilson avenue school PTA met Tuesday at the school with the leader, Mrs. Mary Sturdivant, co-leader, Mrs. Mildred Lovejoy. The girls talked about their experiences during the summer and drew pictures. They discussed rules for behavior. Taking part were Mildred Lovejoy, Barbara Azari, Valerie Bone, Elizabeth Settlemyer, Theresa Boninich, Linda Singer, Linda Wilkins, Margaret Sturdivant, Patricia Patrick and Patricia Ahrens.

WILSON PTA TO MEET

The Wilson avenue school PTA will hold the first fall meeting tonight at 7:30 in the all-purpose room at the school.

Florida was purchased from Spain for five million dollars in 1819 by the United States.

WINSOME CLASS MEETS

The Winsome class met at the home of Dorothy Barnes Monday night for a monthly business meeting. The theme song "Bring Them In," was sung by the class.

The opening prayer was given by Myra Grate, and the devotionals were given by Mrs. Evelyn Smith. Roll call was answered with small gifts to be taken to the hospital. Birthday gifts were exchanged.

The closing prayer was by Norma Rains. Others present were Mrs. Louise Mitchell, Mrs. Luvera Fennell, Mrs. Ester Davis, Mrs. Mavis Moore and Mrs. Johnnie, Miss Irene Broadway, Evelyn Barnes and Bonnie Fennell.

MEET AT FRITH HOME

The Naomi circle at Second Baptist Church met Tuesday evening at the home of Mrs. Nadine Frith, 2239 Missouri avenue. Mrs. Helen Peterson presiding. Mrs. Betty Lewis directed the program, "Beyond the Tithes," and Mrs. Jarden Miller gave a prayer.

Others on the program were Mesdames Isabelle Burnett, Lucille Thompson and Nadine Frith. Mrs. Helen Peterson conducted a business session. Refreshments were served. Mrs. Marjorie Boger, Mrs. Janet Cross and two guests, Mrs. Monahan and Mrs. Nellie Boger.

RETURN FROM FLORIDA

Mr. and Mrs. Emmet Toney of Edwardsville returned from a vacation on Florida Sunday night. They visited points of interest, including St. Augustine, Silver Springs and Daytona Beach.

Plans to visit absent members were made Tuesday afternoon at Second Baptist Church by Lloyd Spencer, Primary Sunbeam, Richard Welty, Mrs. Betty Lewis and Mrs. Julia Penrod. Devotee prayer, and singing was held.

Others present were Nancy Newberry, Dale Cann, Bruce Freeman, Danny Penrod, Cheryl Hancock, Kathy Farley, Diane Smith, Barbara Anderson, Connie Wigger, Donna Mills, Mike Bell, Eugene and Judy Dine, Mary and Oscar Tooley, a new member, Earline Walker, and visitors, Nick Tooley and Gary and Gail Lewis.

Intermediate Girls met Tuesday evening at Second Baptist Church. Karen Farley led a program on "Good Will Centers," with all taking part. Refreshments were served to Nancy Wigger, Charlotte and Becky Davis, Linda Anderson, Phyllis Smith, Barbara Anderson, Evelyn Barnes and Mrs. Dorothy Barnes.

GO TO CHURCH SUNDAY

The Junior Girls Auxiliary met at the Second Baptist Church Monday evening for a "Week of Prayer" program. Present were Terry Frith, Bonnie Fennell, Pat Mitchell, Mrs. Susan Smith and Mrs. Louise Mitchell, all of whom were on the program, and Patricia Davis, Beverly Finn, Imogene Harmon, Carol Newberry, Shirley Finn and Carol Clemons. The meeting closed with a Circle prayer.

POSTPONE PTA MEETING

The Logan PTA meeting has been postponed from tonight to Thursday, Sept. 22.

Brownie Troop 51 began its year Tuesday with a visit to the Girl Scout office. The girls registered for the year and went to an insurance office with their leaders, Mrs. Lillian Anderson and Mrs. Betty Preffitt. Present were Judith Anderson, Nancy Proffitt, Kathy Carney, Sharon White, Tonia Poe, Lynda Lear, Debbie Westbrook, Regina Odom, Kathy Scofield, Kimberly Scheffe, Debbie Sebold and Janet Stoppotte.

Mr. and Mrs. R. J. Johnson and daughter, Brenda, 2203 Dewey avenue, had as guests Mrs. Johnson's parents, Mr. and Mrs. I. R. Thomas, and her brother and sister-in-law, Mr. and Mrs. Joe Thomas and children, Cynthia, Robelin and Ronny Joe, all of Jonesboro, Ark. They returned home Tuesday.

Den Four of Cub Pack Four met Monday with the new den mother, Mrs. Della Lewis, for a get-acquainted party. New den chief is David Sloan, and the cub is Randall Wright, Danel Harlow, Charles Fongolo and Clinton Lewis. Guests were Jimmy Tinsley and Glenn Lewis.

Mr. and Mrs. Homer Anderson and children, James and Judy, 2643 Circle drive, were guests Sunday of Mrs. Anderson's brother and sister-in-law, Mr. and Mrs. Leroy Bell of Dittmer, Mo.

TENTH BIRTHDAY

A birthday party was held Monday at the home of Don Rains, 2210 Dewey avenue, in honor of his tenth birthday. His mother, Mrs. Norma Rains, was hostess.

Present were Billy Cox, Jeff and Charlie Rains, Donny Partney, Roger Belshe, Denny Mitchell and Jerry Fuller. Games were played and refreshments were served. He received gifts.

Word has been received here by relatives and friends of the dead Monday of Mrs. Ada Shears of Dover, Tenn. She was 88 years of age.

Intermediate Girls met Tuesday evening at Second Baptist Church. Karen Farley led a program on "Good Will Centers," with all taking part. Refreshments were served to Nancy Wigger, Charlotte and Becky Davis, Linda Anderson, Phyllis Smith, Barbara Anderson, Connie Wigger, Donna Mills, Mike Bell, Eugene and Judy Dine, Mary and Oscar Tooley, a new member, Earline Walker, and visitors, Nick Tooley and Gary and Gail Lewis.

GO TO CHURCH SUNDAY

The Junior Girls Auxiliary met at the Second Baptist Church Monday evening for a "Week of Prayer" program. Present were Terry Frith, Bonnie Fennell, Pat Mitchell, Mrs. Susan Smith and Mrs. Louise Mitchell, all of whom were on the program, and Patricia Davis, Beverly Finn, Imogene Harmon, Carol Newberry, Shirley Finn and Carol Clemons. The meeting closed with a Circle prayer.

Cong. Price Stresses Need For Citizen Interest In Politics

Congressman Melvin Price pointed out a series of heedful election-year reminders, guides and recommendations in a "graduation" talk Wednesday at the "Action Course in Practical Politics" luncheon at the YMCA.

The East St. Louis Democrat, spoke to recipients of recognition certificates awarded 160 area men and women on successful completion of the non-partisan courses in practical politics, sponsored by the Tri-Cities Chamber of Commerce.

The course is designed to stimulate and arouse interest in political processes on local, state and national levels.

In addition to certificate winners, present at the luncheon were "Practical Politics" discussion leaders and representatives of the C. of C. John V. McBride, a course discussion leader, was toastmaster.

Price Stresses 5 Points

Congressman Price, who represented the Quad-City area in the lower house, in the course of his discussion of "The Citizen in Politics," made the following points:

"The American who has the right to vote, but fails to do so is no better off than the subject of a totalitarian state lacking the right to vote in a free-choice election."

"Our country is safer when there is a very large turnout of voters — for and against — than when only a small handful take the trouble to vote even for the candidate who wins."

"It is highly important carefully and systematically to study the processes by which our democracy works."

"While there are divisive elements in our political life, the truth is that the things that unite us are far greater than the things that divide us."

"Let us no slander American achievements under our form of government, for it is one that few peoples have been able to match in the long course of history."

Leadership Needed

The Illinois Democrat, speaking directly to the certificate holders, extended a welcome "to the fellowship of those who seek to practice the art of political leadership in our great country. He added:

"In whatever capacity you seek

By Press-Record Staff Photographers

CERTIFICATES of accomplishment went Wednesday to 160 Quad-City men and women who completed the nine-week "Action Course in Practical Politics." Congressman Melvin Price was the graduation speaker. He is shown here with others who participated in the exercises. Left to right, they are Dr. John Lee, mayor of Venice, Congressman Price, Richard A. Bromley, one of the citation recipients, and John J. McBride, a discussion leader of the course, sponsored by the Tri-Cities Chamber of Commerce.

He reported that 20, a capacity, are enrolled in the course held at the YMCA auditorium. Also new this week is the class meeting at Cline's restaurant. This has an enrollment of 16.

The "Practical Politics" course cover a nine week period.

Text Of Certificates

The graduation certificates awarded Wednesday were phrased as follows:

"In recognition of accomplishment this certificate is presented by the Tri-Cities Chamber of Commerce to _____ who successfully completed the "Action Course in Practical Politics" and thereby became equipped to contribute to better government by participating effectively in the political processes of the community, state and nation."

Comments C. of C. Congressman Price likewise commended the Tri-Cities Chamber of Commerce for its stimulation, through the courses, of the study of the processes by which our democracy works.

There was an invocation by the Rev. Calvin Marcum, pastor of the Nameoki Presbyterian Church, Paul H. Lichtberger, a C. of C. vice-president, spoke briefly.

McBride, a discussion leader in the "Action Course in Practical Politics," announced today that the next class session will be held this week. Meetings are on Mondays from 7:30 to 9 a.m.

DEFENSES REPORTS

Pertaining to the article written by The Interested. The Civic League is trying its best to focus the public eye on the important issues. But the league is as strong as its members. Are you a member?

In this town it seems as if people always want to see something done, but they themselves don't make an attempt to help. It's always left for the next person. The next person ends up to be yourself. And these people afraid to open their mouth & speak the truth and try to help out? The more people we can get in the civic league, the stronger it will be & the more that can be done to help make this a better community to live in, with lower taxes. How can taxes go down with more things being said & taxed?

We don't feel the tax too heavy on one item, but when there's more than one that's when they add up. If you don't like the officers, they can be replaced at time of election. They will turn their job over to the voters.

DAVID HAMMOND,
2413 Iowa,
TR. 6-6499.

ILLINOIS LAWS LIMIT
CITY GOVERNMENT POWER
Granite City, Ill.

Dear Corky:

In business, sometimes, on the ridiculous.

The way I mean, that some of these local big-wigs assume into themselves authority that does not, in fact, exist.

Leave us pause and consider the way Mayor Davis calculated that the area is nearing the "saturation point" with taverns.

It would seem that the only law governing the "saturation point" for taverns is the old natural law of supply and demand.

It is a legitimate business, operating a tavern, and it is not for Davis to say anything about a "saturation point." Any more than for a bar-tender to fix a "saturation point" for undertaking joints. It took a Circuit Court order to convince Davis that his authority does not extend to making Illinois Statutes.

The Lord knows man has few enough liberties left, without this sort of boloney.

Then there is this thing about arresting a man for having a gun in his car. If the Police are going to start promiscuously arresting all who carry guns in their cars, they are going to get the City into trouble. For the Illinois law is that you can carry a loaded gun in your car unless you are an ex-convict. And Courts of Record do not favor an ordinance that is in contravention of State law.

After all, the City is only a corporation, dependent upon the State for every last authority it has.

Looks to me like the Police would favor honest citizens carrying guns. Take the case up in Peoria, where an officer was in a gun battle with two armed robbers, and a citizen, carrying a gun in his car, jumped out and eliminated the robbers with two fast and accurate shots.

There is an Arizona case where the Police took a 38 away from a tourist and fined him \$50. The tourist was waylaid and robbed shortly after leaving that City. He filed suit for false arrest.

The Circuit Court gave the man his gun back, plus the \$50 fine, plus damages. The Court said, in effect, that one of the laws of mankind is the law of self-preservation and defense, and that a City ordinance to the contrary would be unreasonable and therefore unlawful and void.

Come back tomorrow and we will have another lecture.

Forever yours,
McConis

URGES CAUTION IN
CHANGE OF GOVERNMENT

Mr. C. E. Townsend, Editor
Granite City Press-Record,
Granite City, Illinois

Dear Mr. Townsend:

Well meaning, civic minded citizens who are working to bring about a change in our City government, are being misinformed; or they are misinformed. In my opinion, City manager government has nothing to offer the City of Granite City but trouble.

An appointee from the International City Manager Association in Chicago, Ill. would be all the powers of our chief executive. The access and control of all public funds, such as our comptroller. Our Mayor and approximately four aldermen would deal THROUGH the manager, rather than by vote at the council table. The manager would be complete and unchallenged authority. According to salary rates in cities of comparable size to Granite City, the combined salaries of our present Mayor and our sixteen aldermen

If the measure passes; and we have a City manager government. We might want to abolish that form of government. The only way to do it is to use the same procedure as before, namely, a referendum ballot. That would be our only recourse. We should realize what a tremendous job that can be. We have wanted to abolish the East Side Levee Board for a number of years, but it has never been per-

EDITORIAL

Courses in Politics Can Lead To An Informed, Effective Citizenry

Instruction in the art of practical politics has proved increasingly popular in the Quad-Cities prompting a unique event this week—a luncheon honoring the 160 persons who have completed the course since it was introduced here this year.

Everyone has an influence on politics and government in a positive or negative way, and it is up to each individual to help determine how widely his voice will be heard. Citizen participation is vital to making the democratic form of government function, and the classes being conducted locally should aid this worthy goal.

There always will be someone ready to step in to fill the vacuum left by those not participating in the democratic process, but such is not always the best. At the same time, political activity by each person must be guided by the highest motives and the wisest judgment, or the community will suffer. To win an election is little consolation if one's candidate then conducts the public office in a manner detrimental to the majority of the people.

With this caution in mind, Quad-Citizens undoubtedly will benefit from their exploration of the techniques of winning political wars. Elections are here to stay, and an informed, interested and effective citizenry is the best guarantee that government will be conducted properly.

New University Campus Already Offering Several Hundred Courses

Announcement of courses to be offered at residence centers this fall gives an advance idea of the program that will be conducted in this immediate area as soon as a new four-year state university is constructed.

Even though its present quarters are limited, the Southwestern Illinois Campus of Southern Illinois will teach several hundred subjects running the gamut from anthropology to zoology and from art to physics.

An even more expanded curriculum is probable once the new school becomes a reality in the blue area. Just east of the Quad-Cities, in a county that once had no university facilities, the program already in operation underlines the importance of a "Yes" vote in the November university bond issue election. The referendum includes \$25,000,000 for the new school here.

Area Again Will Be Honored With Visit By Presidential Candidate

Just as the Quad-Cities played host to President Truman and Adlai Stevenson in recent years, the local community is scheduled to be visited by the current Democratic presidential candidate, Senator John F. Kennedy.

Due to the need of each candidate to develop and maintain a certain momentum in his campaigning, there is a strong tendency to concentrate on friendly areas of the country with large populations in pivotal states. While the Quad-Cities have failed to attract some of the candidates, the "whistle stopping" and motorcade routes are a testimonial to both the local Democratic majority and the general population growth here.

Though advances in communications have made it easier for citizens to become acquainted with the national candidates and their programs long before balloting takes place, the practice of direct campaigning probably will be continued. It will be an honor for the community to welcome its distinguished visitor on Oct. 3.

of life. Kennedy's liberalism is so thoroughly socialistic that I cannot accept it.

Whether Nixon and Lodge are the best men the Republicans can choose, I do not pretend to know. But they have been chosen. And since I will not support the Democratic ticket with my vote under the circumstances, Nixon belongs to no organization which ties him to a sworn oath concerning his religious beliefs.

Please Americans, wake up to what's about to happen in November. Let's keep our America free from any type of dictatorship. I hope this letter answers your question, Mr. or Mrs. Dedicated Citizen.

Believes Abandoned
Homes Should Be Razed

Editor
Granite City Press Record

Dear Sir:

I am sure most residents of Granite City will agree with your editorial in today's paper that Granite City was fortunate to have the Grand City Steel Company locate and expand its plant here instead of in St. Louis.

We are also glad to see that it is still buying up property in its area for possible further expansion.

However, in our opinion we feel that as these old homes are purchased they should be immediately torn down and the ground cleared.

The present practice of boarding them up has created an unsightly slum which is a perfect place to breed rodents and insects, a possible haven for transients and criminals and a serious fire hazard, especially after the grass and weeds have dried in the fall.

This situation should be brought to the attention of the company officials who should be urged to correct the situation in their own interest and the cities.

Sincerely, J. Biernicki

ARTICLE ENLIVENED
WITH WIT, WISDOM

Gentlemen:

Orchids to your staff member who wrote the front page headline "School Belle to Rink, etc." (Sept. 1 issue).

Here was a newspaper subject enlivened and made into an outstanding reading by the apt, witty, wisdom, and humor of the writer. How about a by-line on anything as well written as this?

Yours truly,
HAROLD M. JOHNSON
53 Janda Tr.

Summer Is Ending, But Autumn Will Bring A Harvest Of New Experiences

It's a sure sign, Fall Hat Day, officially observed this week, that summer has reached its closing stages. No longer will straw hats, swimming trunks, perforated shoes and Bermuda shorts be in season.

Autumn will not begin formally for another week, but it is already in the air. Students are returning to college, football teams are practicing, leaves are cascading to the ground and the breeze is newly crisp and cool.

The fall season, to many Quad-Citizens, is the best time of the year. There is nostalgia for the summer, just ending and never to be fully recaptured. But there is growing excitement as the oppressive heat is replaced by more invigorating temperatures. The green of trees and foliage is giving way to hues of red and gold, and the time of harvest is nearly at hand.

Summer is dying, and everyone and everything is caught up in the inexorable change. But there is hope for new experiences and new satisfaction; autumn is in the air.

Selfish people never make a nation great, regardless of the fortune they manage to acquire.

Wise Counsel Often A Matter Of Recognizing Obvious Facts

It is said that brilliance often is attributed to those who can recognize and state the obvious. Even more sagacious are those who see obvious facts and then act accordingly. This concept is exemplified to a high degree by the nation's best known park bench philosopher, Bernard Baruch, who not only has given advice, but also has been well enough to become a millionaire by the age of 30.

Although he believes that "old age is 15 years older than I am," Baruch has just observed his 90th birthday, and the occasion was marked by dedication of the "Bernard Baruch Bench" in Washington's Lafayette Park. Head of U.S. industrial mobilization in world war I and an active public servant and advisor all his life, he is best known for his ability to say the obvious at times when it needs to be said.

Long before the vice became popular, Baruch cautioned that "inflation is the most important economic fact of our time—the single greatest peril to our economic health." It was he who noted that "no president or Congress can make two and two equal anything but four," but he also pointed to "the human suffering that might be caused" in commenting that "I have never believed in abandoning our economy to the ruthless workings of the market place."

Baruch's advice may eventually serve as a guide to easing the economic cycle that in its extremes is damaging to all Americans. "The workings of supply and demand never stop," he counsels. "They form an endless process of adjustment, and must always be seen as part of a whole and not as piecemeal, spasmodic happenings. If we can employ the intelligence and experience which is built into us, we can transform the more erratic soarings and collapses in human affairs into gentler rises and dips."

Intelligence tells us that things change and wisdom indicates that the change is often for the better.

In reading, it is well to remember that no one author is wise enough to tell all about anything.

TELEPHONE TALK

by R. A. Pelster, Manager, Granite City, Illinois

ALERT ACTION IN SCHOOL BUS INCIDENT

Last week 60 school children came close to serious injury when the school bus stalled on the Mitchell railroad crossing with a train fast approaching.

Fast and alert action by the bus driver and two of our Southwestern Bell Telephone Company employees, Bob Fischer and Herb Hensley, averted what might have been a severe tragedy. Fischer and Hensley, who are cable splicers in our construction department, were along lunch near the railroad crossing when they noticed the plight of the school bus. Both men assisted the bus driver in hurriedly removing the children from the bus. Bob Fischer pulled the last two children from the bus just seconds before the train rolled in at the crossing.

We are very proud of the action of Bob Fischer and Herb Hensley, who faced eminent danger to help rescue some of our youngsters from a serious calamity.

TELEPHONE USAGE CLINIC TO BE HELD

A Telephone Usage Clinic will be conducted next Wednesday afternoon by the Telephone Company in conjunction with the Tri-City Chamber of Commerce. The clinic is intended to point out the practices and techniques which lead to a pleasant and effective telephone manner in business and industry.

The clinic will be presented between 3 p.m. and 4:30 p.m. Wednesday afternoon at the YMCA auditorium TR. 6-6400.

"BACK TO SCHOOL—DRIVE CAREFULLY"

For a time each fall, these phrases are probably the most noticed and carefully followed instructions in the Quad-Cities.

"Back to school—drive carefully" is such a sensible thought that it's a pity to limit its use to a few weeks each fall. For the small fry, "back to school" is a month-long activity; for grownups, when is there a time NOT to "drive carefully?"

Called by number. It's twice as fast.

SOUTHWESTERN BELL TELEPHONE COMPANY

Sewer Contract To Be Awarded Next Week

Adwir Kraemer, engineer for the East Side Levee and Sanitary district, said today awarding of the contract for work on a Glenview drainage project would probably be made next week.

Contract award will be made following study of bids by the engineering committee of the East St. Louis Levee district.

The project involves a 2230-foot storm water drainage trunk line to serve the Glenview subdivision.

Three bids were submitted, with the apparent low estimate that of Joseph F. Seelye Co., East St. Louis, with a figure of \$89,509.

President To Make UF Air Appeal Tonight

President Eisenhower will urge all-out support of the upcoming Tri-Cities Air United Fund campaign along with the nation's other fund-raising drives in a talk tonight.

The chief executive's appeal will be heard over all major television and radio networks, according to James L. Hamilton Jr., general chairman of the Tri-City area drive.

TV audiences will see and hear the president between 7:25 and 7:30 p.m. On the ABC network he will follow the Donna Reed show; on CBS, Johnny Ringo; and on NBC, "Producer's Choice."

Hamilton said today that all

Granite City PRESS-RECORD
Thurs., Sept. 15, 1960 Page 11

radio networks (ABC, CBC, NBC and Mutual) likewise will carry the 10-minute appeal at night.

Oliver G. Willis, national chairman of United Community Campaigns of America, will respond to the president on behalf of the several hundred local volunteers who will serve in the coming campaign to be held in October.

FIRST FALL MEETING FOR OVER 21 CLUB

The first fall meeting of the Over 21 club was held Monday afternoon in the home of Mrs. Mary Feurka, 1405 West Ponton road, with six members and three guests present. Games were played after a luncheon course served by the hostess, with Mrs. Feurka the day's high scorer. Members present were Mrs. Florence Borders, Mrs. Penn Shookman, Mrs. Dorothy Rutan, Mrs. Mary Doran and Mrs. Jean Hamilton. Guests were Mrs. Ann Buhner, Mrs. Susie Buhner and Mrs. Dorothy Brewer.

Mr. and Mrs. Dick Portell, 2524 Edgewood, also entertained in their home this week in honor of Mrs. Portell's brother-in-law and sister, Mr. and Mrs. Orville R. Brooks of Manitou Springs, Colo. Other guests were Mrs. Brooks' brothers and sisters-in-law, Mr. and Mrs. Paul Sabo and daughter, Diane, of East St. Louis and Mr. and Mrs. Ted Sabo and daughter, Linda, and her uncle and aunt, Mr. and Mrs. Frank Toth.

Mr. and Mrs. Adam Munsterman, 3831 Nameoki road, returned late Sunday afternoon from a two-week vacation on their farm near St. James, Mo.

DEDICATION SERVICE BY PRESBYTERIAN WOMEN

The Nameoki United Presbyterian Women's Association met Monday evening at the church for a service to dedicate and anoint members and three guests present.

Mrs. Ann Freeling, vice-president, conducted the meeting and announced that the next day church meeting will be Sept. 22 in the home of Mrs. Louise Anderson, 1733 Primrose avenue, and the next evening church meeting will be Sept. 27 with Mrs. La Pyle in her home, 1718 Moro avenue.

An announcement was made by Mrs. Fern Mitchell, spiritual life chairman, on a retreat to be held Oct. 17. Mrs. Irma Taylor, fellowship chairman, welcomed Mrs. Hazel Bloodworth, Mrs. Edith Arbogast and Mrs. Rachel Kater of Macon, Ill., as guests and accepted Mrs. Arbogast as a new member. Mrs. Fern Mitchell closed the business meeting with prayer.

A dedication service was conducted by Mrs. Taylor on the "Fellowship of the Least Coin" and Mrs. Pyle, world service chairman, dedicated the sewing project of hospital gowns to be sent to a hospital in Southern India.

The missionary education chairman, Mrs. Alta Stewart, reported on the recent work of Walter Greig, a medical doctor who is in the Cameroons in West Africa. She also announced that his parents, Mr. and Mrs. Hubert Greig, Wheaton, Ill., will be at the church next Sunday during the regular church service to show pictures and explain his work to the congregation.

Mrs. Anderson read mission ary names and gave the devotion. The missionary of the month is H. Glenn Stephens of the United Presbyterian Home in Frenchburg, Ky., and prayer will be offered in his name.

The evening's program consisted of a "flannelgraph" talk by Mrs. Kater on "The Tabernacle."

Mrs. Bonnie Britton and Mrs. Carolyn Stearns were the September hostesses, and others present were Mrs. Beatrice Pyle, Mrs. Twyla Marcum, Mrs. Gertrude Schnyder, Mrs. Louise Thompson, Mrs. Jung Kim, Mrs. Violet Monahan, Mrs. Simpson, Mrs. Pauline Baldwin, Mrs. Betty Strand and Mrs. Mildred Sartor. The next association meeting will be Oct. 10 at the church.

FAMILY DINNER

Mrs. Verla Brooks of Edwardsville entertained her children at a family dinner Sunday in her home. They were Mr. and Mrs. Orville Brooks of Manitou Springs, Colo., Mrs. LeVeria Anderson of Jerome, Mo., and Mrs. Ray Durbin and sons, Dennis and Donald.

PLAN FISH FRY

The Christian Youth Fellowship met at the Central Christian Church Sunday evening. Alton Kennerly, president, presided and the group made tentative plans for a fish fry some time in October.

Transportation to a district meeting in Benton, Ill., on Sept. 18 also was discussed, and plans were made to attend a sub-district meeting in Granite City, Oct. 2.

The evening prayer was led by David McKel, and a study session was held on "This is a Cry" under the leadership of Carolyn Butler. The worship service was supervised by David McKel and Conley Howell.

After the business meeting and worship service, a short recreation period was held, with Peggy Lipford in charge. Refreshments were served by Catherine Butler and Larry Whitsell. Others attending and participating in a closing friendship circle ceremony were Cindy Lauster, Cheryl Rice, Mike Vasiloff, Jan Ritchie, Martha Spengler and one guest, Warren Nash.

HONOR GUEST ON BIRTHDAY

A birthday party in honor of the fourth birthday of Danny Dumbrow was given by Mr. and Mrs. Dale Dumbrow, 4809 Warlock avenue, Monday afternoon.

A birthday cake was centered on the gift table, and refreshments were served to Mrs. Virginia Blanton and daughter, children Rita, Retha and Brian. Mrs. Edna Slagter and daughter, Marilyn, Mrs. Pearl Ryan Greg, Mrs. Edith Feltneyer, and sons, Chuckie, Mike and Mrs. Harry Jones, Mrs. Janice Myatt and daughter, Cindy, Mrs. Sharon Wilmoth and daughter, Judy, and the grandparents, Mr. and Mrs. George Woods of Chokio.

ANNUAL PICNIC FOR GLIK'S EMPLOYEES

The annual late summer picnic for Glik's employees and friends was held Sunday at the Walnut Valley summer cottage, Dun Roan, in Grafton, Ill.

The day was spent swimming, boating and walking by the hosts, Mr. and Mrs. Walter Talley, and Mr. and Mrs. Joe Glik and child, Bobby, Jeffrey and Jimmy. Mr. and Mrs. Jerry Rosenberg and children, Phyllis and David, Mr. and Mrs. Carl Spohr, Mr. and Mrs. Willis Shepard and children, Lynn and Jimmy, Mr. and Mrs. Roger Paulett and children, Lynn, Debra and Marsha, Mr. and Mrs. Bill Talley and son, Billy, Mr. and Mrs. Dave Thompson and children, Claudia and Kenny, and niece Leslie Thompson, Mr. and Mrs. Clyde Wilson and daughter, Carolyn. Mr. and Mrs. Charles Baumbarger and daughter, Peggy, Mr. and Mrs. Bill Herman and daughter, Linda and Nancy, Mrs. Marie Cox and children, Linda and George, Mr. and Mrs. Charles R. Hickman, Mr. and Mrs. Austin Witter and son Don, Mr. and Mrs. Ray Horn and children, Barbara and Rickie, and Bill Ashford.

Those attending from this area for their freshmen year are Linda Farrow, daughter of Mr. and Mrs. Frank Farrow, 1733 Venice avenue; Annette Lenzi, daughter of Mr. and Mrs. Edward Lenzi, 3225 Aubrey avenue; Bill Cease, son of Mr. and Mrs. Robert Cease, 2215 Lynch avenue; Harry Gene Cook, son of Mr. and Mrs. Harry Cook, Thornberry, son of Mr. and Mrs. Carl Thornberry, 2488 Waterman avenue. All are June 1960 graduates of Granite City high school, and they and their parents attended both the tea and vesper services. The girls are in Holt Hall and the boys in MacMurray Hall.

At a brief business meeting, the group discussed plans for the coming season, with definite dates and activities to be announced later. Other members attending were Jeanne Lindley, Adele Kock, Judy Towse, Priscilla Hurvey, Gayle Holly, Bonnie Barton, Barbara Newhouse, Sandy Whitecotton, Joan Pritchard, Betty Byrnes and Cindy Lauster.

TEA AT CENTRAL COLLEGE

A tea was held Sunday afternoon, with vesper services late Sunday evening in Fayette, Mo., for students at Central College.

ELAINE BAUER IS FIVE

Mrs. Charles Bauer, 3025 Washington avenue, honored her daughter, Elaine, on her fifth birthday with a lawn party Sunday afternoon. A traditional birthday cake was used as the table centerpiece, and balloons were used as favors for the small guests.

Games were played, with Marla and Darla McGarvey, Lynette Arbeiter, Karen Robertson and Lu Ann Schwager winning prizes. Others present were Mrs. Joyce Hahn and son, Dennis, Mrs. Bea Marcus and son, Dickie, Mrs. Dee McGarvey, Debby Rich and Jimmy and David Elmore.

RESUME MEETINGS

The first fall meeting of the Ft. Dale Tally-Ho club was held Monday evening at the local YMCA. Mrs. Rose Well will act as director this season.

Officers elected at the last spring meeting and seated Monday were: Marianna Wagner, president; Dora Steinberg, vice president; Leslie Koelke, secretary; Pat Whitecotton, treasurer; Sharon Cruse, sergeant-at-arms; Joan Schumacher, chaplain; and Phyllis Richter, historian.

At a brief business meeting, the group discussed plans for the coming season, with definite dates and activities to be announced later. Other members attending were Jeanne Lindley, Adele Kock, Judy Towse, Priscilla Hurvey, Gayle Holly, Bonnie Barton, Barbara Newhouse, Sandy Whitecotton, Joan Pritchard, Betty Byrnes and Cindy Lauster.

Mr. and Mrs. James Jones

Mr. and Mrs. James Jones, 3224 Colgate place, has left for Aachen, Kan., where he will enter his junior year at St. Benedict's College, studying business administration. He spent the summer working at Laclede Steel Co., swimming at the Paddlers pool and fishing and water skiing at the Jones summer cottage in Grafton.

Long Caucus On School Personnel

Working its way through a 76-page agenda in three and a quarter hours Tuesday night, the Granite City school board met behind closed doors for two and a quarter hours before adjourning at 1 a.m. The caucus was called by President Homer Huber, who said school personnel would be the topic.

Huber said afterward that the board discussed the conduct of a teacher but reached no decision on what, if any, action to take. The topic is to be discussed again, he added.

Asked about other topics overheard by those in an outer office, Huber said there was discussion but no action on disposition of the former Liberty school building and a university study to be made of the use of tax funds by Granite City governmental agencies.

Several closed-door sessions lasting until midnight or beyond have been held in recent months. One of the discussions dealt with the conduct of a principal, and no action resulted.

Hire Five Teachers
During the public portion of the meeting, the board confirmed employment of five teachers for the 1960-61 school year. The action virtually completed the teaching staff, although one or two more appointments may be made.

Those hired were Miss Claudette Beamer, Downers Grove, Ill., four years of teaching experience and a bachelor degree from Western Illinois University, for Marshall grade school physical education; Miss Doris Marie Gerson, Wood River, five years and bachelor degree from University of Illinois, Mitchell first grade; Ronald F. Glasgow, 2530 Prosser street, bachelor degree from McKendree College, Central junior high science and mathematics; Miss Shirley Peters, Berwyn, Ill., two years and master degree from Indiana University, high school English; and Joe Irvin Rubinfeld, Dallas, Tex., one year and bachelor degree from University of Houston, Coolidge and Central Spanish.

9 Quad-Cityans File Bankruptcy Petitions
Petitions of bankruptcy have been filed for nine Quad-Cityans with the U. S. Referee in Bankruptcy, according to information received this week by the Associated Retailers & Civic Association.

The petitions have been filed by Leroy Karmel, Crow, 4301 Kirkpatrick Homes; Ronald Hugh Clark, 1704 Ferguson avenue; Dave Sternberg, 2408 Madison avenue and Robert Allen Knight Jr., 1907 Sherman avenue, all of Granite City, and the following Madison residents: Jerry Bob Baugus, 715 Iowa street; Edwards Haynes, 1044 Logan street; Hurrell Earl Wakeford Jr., Apt. 13 Greiner Homes; George Franklin Gray, 1226 Madison avenue, and Elbert Sidney Tipton, 1118 Calhoun street.

The puma, or American lion, will attack jaguars and grizzly bears, but not man.

High Court Refuses To Hear Election Contest

The Illinois Supreme Court this week declined to review a dismissal of an election contest involving Democratic nominees

for the East Side Levee & Sanitary District, handed down earlier by the St. Clair county court.

The contestants were Michael Szwedzyk, Thomas McGee, John Kerns, Monroe L. Flinn, Ernest Eli and James Sweeney.

The state's high court denied a motion by the contestants for leave to file a petition for a writ of mandamus to compel the county court to go to trial with the contest. The county court dismissed the suit on the grounds the contestants failed to notify

County To Purchase Postage Meter Machine
Purchase of a postage metering machine and organization of a central mailing department for the county was provided in the state canvassing board.

1960-61 budget approved Tuesday by the Madison supervisors. There was an allocation of \$1050 for the metering device.

The central mailing department, expected to be in operation next week, will be in charge of the county auditor.

C. of E. Allocates \$50,000 For Area Flood Control

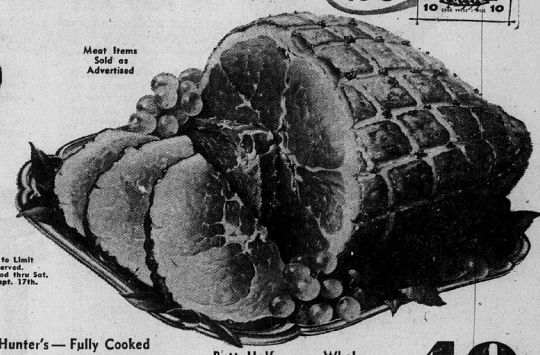

The Army Corps of Engineers announced this week at Washington that \$50,000 has been allocated the East Side Levee & Sanitary District for flood con-

SENSATIONAL MEAT OFFER!

Double Your Money Back

on any meat, poultry or fish purchase you make at A&P this week
IF YOU ARE NOT COMPLETELY SATISFIED

A&P Meats are always sold with a money-back guarantee, but this week we'll give you **DOUBLE YOUR MONEY BACK** if our meat fails to please you in every way. Select any cut of beef, lamb, pork or veal; prepare it your favorite way. Then if you don't agree that it is as tender, juicy and delicious as meat you have been buying elsewhere at higher prices, A&P Super Markets will cheerfully refund double your purchase price.

We make this challenging offer because we have so much confidence in the high quality of our meats . . . and because we want you to discover their goodness for yourself without risking a penny!

So, come in to A&P this week . . . save money on meat, poultry or fish . . . quality we dare to back up with so amazing a guarantee!

South Venice

MRS. FRED LEATON
614 Washington
TR. 6-1502

Mr. and Mrs. Lawrence E. Heagy, 201 Hampden street, are announcing the arrival of their first child, a son, born Sunday afternoon at DePaul Hospital, St. Louis. The infant weighed eight pounds, one ounce, and has been named Lawrence Rudolph. Maternal grandparents are Mr. and Mrs. Harold Koelker, 267 Hampden street, and the paternal grandmother is Mrs. Loretta Heagy Zeigler of Main street.

Mr. and Mrs. Lester Salem, 528 Washington avenue, returned home Sunday evening from Charleston, Ill., where they had motored with their son, Terry, a student at Eastern Illinois University. A sophomore, he is majoring in chemistry.

Granite City PRESS-RECORD
Page 22 Thurs., Sept. 15, 1960

LUNCHEON FOR CLUB

Mrs. Address Brown, 801 Fourth street, was hostess Monday evening at a meeting of the Ladies Aid Club at the home of Mrs. Kathryn Fellers, 1731 Fourth street, Madison. Fourteen members welcomed into the club were Mrs. Jessie Ochler, Mrs. Hazel Painter and Mrs. Naomi Seeling, all of Venice, and Mrs. Fellers.

Games were enjoyed by the group, and prizes were awarded to Mrs. Myrtle Fields, Mrs. Celia Miller, Mrs. Mabel McGee and Mrs. Celia Miller, all of Venice, and Mrs. Fellers.

A three-course luncheon was served, and other members present were Mrs. Ora Anderson and Mrs. Lucy Williams, both of Granite City, and Miss Catherine McGee of Venice. Hostess for the October meeting will be Mrs. Fields, 220 Granville street.

Approximately 150 persons attended the Venice Women's club's benefit barbecue held Sunday at Lee Park. Chairman for the occasion were Mrs. Elizabeth Canner, Mrs. Pearl Hoover and Mrs. Jessie Foley.

HONORED AT SHOWER

A miscellaneous shower was given Sunday afternoon at the Odd Fellows hall in honor of Mrs. Rita March, daughter of Mr. and Mrs. George Marshall, 1040 Third street, who was married Wednesday evening at St. Paul. The bride was escorted by her brother, George Lybarger, 1538 Fifth street, and the groom by Mr. and Mrs. Lybarger.

Hostesses for the occasion were Mrs. Lorna Schultz of St. Louis, Mrs. Dorothy Suratt of Granite City, Mrs. Dorothy Suratt of Madison and Mrs. Rose Osburn and Mrs. Joan Lane, both of Venice.

The hall was decorated with white crepe paper streamers and wedding bells. Gifts were opened and displayed, after which games were enjoyed and several prizes were awarded.

A buffet luncheon was served to Mrs. Ann Schultz of St. Louis, Mrs. Doris Harrison, Mrs. Dorothy McMullen, Mrs. Sandra Thompson, Mrs. Ann Loken, Mrs. Barbara Blumley and daughter, Betty, Mrs. Mary Lahey, Mrs. Jo Ann Murray and Mrs. Louise Daniels, all of Madison.

Erma Blatter, Mrs. George Marshall and Miss Helen Murray, Anita Szeles, Nancy Scoggs, Judy Edwards, Connie Johnson, Marie Shambo, Jeanette Cio, Meridel Foley, Patricia Price, Janet Robertson and Ruth Hawkins, all of Venice.

PINK AND BLUE SHOWER

A pink and blue shower, honoring Mrs. Ann Sennett of St. Louis, was given Sunday afternoon at the Venice Social club, 717 Brown street, by Mrs. Mary Sennett of Venice and Mrs. Peggy Cochran and Mrs. Shirley Mofford, both of Granite City.

Decorations were in keeping with the theme, and gifts were placed around a skirt entering the gift table. Following the opening and displaying of gifts, a luncheon was served.

Prize winners for the afternoon were Mrs. Ruth Deane of Affton, Mo., Mrs. Evelyn Ferro and Mrs. Jean Parks of Granite City, Miss Susan Butler of Pontoon Beach and Mrs. Tillie McGarran, Mrs. Catherine Buechele and Mrs. Steve Ferro, all of Venice.

Other guests were Mrs. Mary Ann Ferro and Mrs. Joyce Ann Ferro, both of St. Louis, Mrs. Lorraine Ponce and Mrs. Mary Ann Ponce, both of Affton, Mo., and Mrs. Susan Bure of Pontoon Beach. Mrs. Dolores Parente and Mrs. Margie Greenwald, both of Granite City, and Miss Jane Johnson, Mrs. Lena Georgeff, Mrs. Angela Shambo, Mrs. Lillian Mangano, Mrs. Rose Ponce, Mrs. Agnes Shambro and Mrs. Angie Scaturro, all of Venice.

HOSTESS TO SOCIETY

Mrs. Earl Robertson was hostess Monday evening at a meeting of the Madison Methodist Church Women's Society of Christian Service at her home, 1224 Robin street, with the president, Mrs. Thelma Black, in charge. The devotional was led by Mrs. Betty Ballentine, who also was in charge of the program, "Meditation."

A business meeting followed, and an election of officers was held. Officers for the ensuing year will be president, Mrs. Lorraine Craghton; vice-president, Mrs. Ballentine; secretary, Mrs. Alberta Robertson; and treasurer, Mrs. Erma Graves.

A social time was enjoyed, and a dessert luncheon was served. Others present were Mrs. Wesley Clemens, Mrs. Lynn Vandarmark and Mrs. David Richardson. Hostess for the next meeting will be Mrs. Vandarmark of Second street, Madison.

University Bond Issue

A Venice Lions club meeting was held Monday evening at the Venice Madison American Legion Home, with 20 members present. President John Pier was in charge, and a discussion was held on the Lions' calendar project. Tentative plans were made for "ladies' night" to be held in October, with Charles Simmons named chairman of arrangements.

Guest speaker was John McBride, vice-president and general manager of the Union Star and Refining Co., Granite City, who spoke on the Southern Illinois University bond issue Nov. 8 election. A lengthy discussion was held on school systems in this area.

'Brain Washing' Program

Madison Rotarians yesterday heard a recording by Dr. William E. Mayer, Hawaii state mental health director, outlining Communist "brain washing" techniques and urging American parents and schools to instill deeper loyalty and individual responsibility among children. Joseph Richardson was program chairman.

BIRTHDAY CLUB MEETS

Mrs. Oswald Becherer, 2117 Woodlawn avenue, entertained her birthday club Monday evening in her home. Pincushion was played, with Mrs. Becherer winning first prize, Mrs. Marie Vesky second, Mrs. Antoinette Brisky third and the "aces" prize and Mrs. Oscar Loyet, fourth.

The hostess served a late dessert course to the prize winners and Mrs. Fred Moser, Mrs. John Pritchard, Mrs. Gregor Sild, Mrs. Frank Schwarzkopf, Mrs. Arthur Lombardi, Mrs. Joe Parente, Mrs. Charles Rimparek and two guests, Mrs. Veski and Mrs. Grace Hendrick.

The next meeting will be Oct. 10 with Mrs. Rimparek, 4066 Stearns avenue.

PLAN MARYVILLE MEETING

Kenneth Gieson, president of the Maryville road PTA, conducted a meeting of the executive board Tuesday evening at the school. It was the first of the fall term.

Others attending besides the officers were Owen Humphrey, Mrs. Louise Koester, Mrs. Helen Hays, Mrs. Mildred Chastain, Mrs. Dora Lee Shrieber, Mrs. Pat Walsh, Mrs. Immae Rutledge, Richard Hausafer and Mrs. Jackie Cooper. The initial PTA meeting will be held next Tuesday night.

FROHARDT PTA BOARD

The Frohardt school executive board held its first fall meeting Tuesday evening at the school, with Mrs. Elsie Rodell, president, in charge. Program plans for the year were discussed, and the ways and means committee gave a tentative report on its plans.

At the first PTA meeting, Sept. 20, Mrs. J. Brazier of East Alton, director of District 29, will speak on "Parent Education in PTA" and a talk will be given on the university bond issue.

EXECUTIVE BOARD MEETS

The executive board of the Nameoki PTA held its first meeting and planning session Tuesday evening at the school. Herman Greve, president, conducted the meeting and members attending were Greve, Mrs. Anderson, Mr. and Mrs. Walter Spiceland, Mrs. Caldwell, Mrs. Peggy Becherer, Mrs. Judy Daley, Maurice Steele, Paul Henderson, Mrs. June Aerne, Mrs. Norma Jean Ross, Mrs. Rose Young, Russell Robbins and Mrs. Wilma McKinney. The first PTA meeting will be Tuesday, Sept. 20.

BEGINS COLLEGE TERM

Fred L. Hacke Jr., son of Mr. and Mrs. Fred Hacke sr., 2516 Benton street, left Sunday for Columbia, Mo., where he is entering his freshman year at Missouri University. He was accompanied by his parents. He is a June 1960 graduate of Granite City high school.

ENTERS UNIVERSITY

Donald Naeve, son of Mr. and Mrs. Robert Naeve, 2647 Delmar avenue, motored to Columbia, Mo., Sunday to enter his freshman year at the University of Missouri. He is a June 1960 graduate of the Western Military Academy in Alton.

Mrs. La Verne Anderson, who spent the weekend visiting her mother, Mrs. Verta Brooks, in Edwardsville and her sisters, Mrs. Claudia Ream and Mrs. Vyvynne Durbin in Granite City, returned to her home in Jernome, Mo., Monday afternoon. She attended a family reunion Sunday along with her brother and sister-in-law, Mr. and Mrs. Orville Brooks of Manitou Springs, Colo., in Edwardsville Sunday afternoon.

Truck Sidewalks Auto

A transfer truck sidestepped the right front fender of the auto of Caroline Dentel, 803 Grand avenue, Madison, at 8:30 a.m. Tuesday at Main street and Broadway, Venice, and failed to stop, police were notified. She had halted for traffic.

Sweden is almost 1000 miles long, though seldom wider than 300 miles.

FELLOWSHIP PROJECTS

The Pontoon and West Side Church of Christ Kumb Joy Fellowship met Monday evening at the West Side Church. President Irene Daves presided. A collection was taken for school supplies for the Children's Home in St. Louis.

Canned food is to be brought to the next meeting for the Christian College in St. Louis. A birthday gift for the class's adopted grandmother, Mrs. Hilma Kollmeyer, was purchased. The devotion was given by Margaret Moore.

Games were played and refreshments were served to Mr. and Mrs. Martin Hayes, Mr. and Mrs. Dick Bolton, Mr. and Mrs. Don Crouch and daughter, Mr. and Mrs. Harold Cox and sons, Vincent and Stanley Mr. and Mrs. Earl Lancaster and children, Jeanne and Lenny, Mrs. Mary Dudley, Mrs. Corrine Krehmer and children, Janice and Danny, Mr. and Mrs. Bill Van Soyck and children, Eddie, Ricky and Danny, Eddy Paschedag and Mrs. Irene Daves and children, Brenda and Ruthie. The next meeting will be held at the Pontoon church.

PTA TO MEET TONIGHT

The first meeting of the executive board of the Stallings school PTA was held Monday evening at the home of Mrs. Dorothy Nenninger. President Howard Roher was in charge.

Plans were discussed for the PTA meeting to be held tonight by Mrs. Emma Relleke, Donald Rueselmeier, Mrs. Evelyn Ringering, Mrs. Beulah Krause, Mrs. Dorothy Nenninger and Mrs. Florence Deatherage.

Mr. and Mrs. James Hodshire and Mrs. Catherine Trippa visited Mr. and Mrs. Tommy Tauli and son, Kenny, at Florissant, Mo., Sunday.

A pot luck dinner will be held in honor of Mr. and Mrs. Wil-

Roca Installs, Names Sweetheart Candidates

Michael Mundy was installed as president of the Roca young men's club during semi-annual ceremonies held Tuesday night at the Moose Hall. Mundy succeeds Monte Kessler as president.

Other officers installed were: Don Davis, external vice-president; Tom Jenkins, internal vice-president; Pat Withers, treasurer; Bob Chapman, chaplain; Max Prusak, secretary; and Ernie Taylor, sergeant-at-arms.

Outgoing officers were retired by the club's founder, Earl Parsons. Parents of the members attended and refreshments were served following the ceremonies. On Tuesday night, the club will select from among six candidates a fall sweetheart. The candidates are Cathie Schaffer, Ann Rich, Margaret Caris, Donna Troglich, Linda Toburen and Sharon Reinhardt. The club sweetheart will preside over fall social activities staged by Roca.

Driver Fined \$75 On Three Venice Charges

Edward Watson, 32 St. Louis, was fined a total of \$75 on careless driving, no driver's license and fictitious driver's license Monday night by Venice Police Magistrate Wesley Edwards. He had been arrested by Venice police Sept. 11.

In other Monday cases, Edwards fined William Pulley, 2800 Nameoki road, \$20 for drunkenness and open beer in his car Monday; James Wimberly, 34 of 1104 (rear) Logan street, \$10 for assault on a warrant filed Sept. 11 by Rita Shipp, 321 Weaver street; and Ezell Deloch, 127 Garner road, \$10 for having no driver's license Monday.

Truck, Car Collide

Westbound vehicles collided on Broadway near Hampden street, Venice, at 3:10 p.m. Monday, damaging the right rear of the auto of Edward Lewandowski, 51 St. Louis, and front of the truck of Robert Warnhoff, 59, of 1217 Market street.

Lard Jones of Florida at the Pontoon Church of Christ Sunday.

Schools Rent 2 Rooms At Church In Nameoki

Rental of two classrooms in the Nameoki Presbyterian Church for the 1960-61 school year was authorized by the Granite City school board Tuesday night. Payment will be \$500 for each room, plus five-sevenths of the church's heat, light, water and custodial supply costs.

Superintendent Harold M. Kessler reported that the school system is off to a good start for the new term, and he complimented the board, teachers, custodians and cafeteria staff for making this possible.

Conferring with Alderman Sam Whitmer, aldermanic committee chairman, who was present for most of the meeting, the board decided to notify the Niederhagen school PTA that the city last year arranged for a portable spotlight at 29th street and Madison avenue with the understanding that the PTA would have it moved to and from the intersection.

Questioned on another topic, Whitmer said he was not aware of a proposal for the city to install concrete to meet new blacktop placed on the Central junior high grounds.

SOCIETY

Fall Activities Planned By St. Mark's PFA

St. Mark's Parents and Friends Association held its first meeting of the new season Tuesday evening in the church basement, with the president, Mrs. Mary Simmons, in charge.

Sister Mary Herman, first and second grade teacher, and Sister Mary Ruth, fifth and sixth grade teacher, were introduced and welcomed.

Projects Topic Of Jr. Maecenas

The initial meeting of the fall season for the Junior Maecenas Society was held Tuesday evening in the home of Mrs. Frances Grotenfeldt, 2039 Pontoon road.

Mrs. Grotenfeldt, president, conducted the meeting and plans were made to attend the junior district meeting in Belleville on Sept. 27. Yearbooks were distributed, and a discussion was held on a fund-raising project and the junior district project for the year.

A musical program was presented by the daughter of the hostess, Miss Gloria Grotenfeldt, who played "Clare de Lune" by Debussy, "Sonate Pathétique" by Beethoven and "Rhapsody in Blue" by Gershwin on the piano.

The hostess served a late dessert course to Mrs. Dolores Yates, Mrs. Jean Kelsch, Mrs. Pat Shanta, Mrs. Jean Kelsch, Mrs. Kathleen Tadlock, Mrs. Betty Bickhaus, Mrs. Doris Pelczak, Mrs. Mary Lee Lurie, Mrs. June Drew, Mrs. Cy Corbin, Mrs. Dorothy Brewer, Mrs. Helen Tomcott, Mrs. Lillian Profit and Mrs. Catherine DeWitt. The next meeting will be Oct. 4 at the home of Mrs. Bickhaus, 2028 Manley avenue.

Moose Women Hear Talk

The publicity committee was in charge of the program last night at a meeting of the Women of the Moose and Mrs. Emylee Alford chairman, introduced A. J. Mueller Jr., business manager of the Press-Record, who addressed the group on the subject "What Your Newspaper Means To You."

Four new candidates were enrolled at the meeting. They were Mrs. Opal Fulkerson, Mrs. Julia Sikes, Mrs. Anna Mae Allison and Mrs. Ruth Drude.

Refreshments were served after the meeting from tables carrying out the news and publicity theme. They were covered with newspaper clippings, favors were candy wrapped in newspapers ready for delivery. Prizes were awarded and announcement was made of the next regular meeting Sept. 28 when Star Recorders night will be observed.

Thorngate Garden Club Meets

The Thorngate Garden Club held the first meeting of the autumn season Wednesday night when the members and two guests were entertained in the home of Mrs. James Lavelle on Highway 67, Mrs. Ida Hanfater, president, was in charge.

The 11 members present responded to roll call with "successful projects of the summer," and there was a general discussion of the year's program.

Plans for the winter were formulated and announcement was made of a guest day meeting to be held Oct. 6 in the home of Mrs. Charles Guth, and for the next regular meeting Oct. 11 in the home of Mrs. Clara Schilling.

Refreshments were served to the members and two guests.

HOLDS FIRST FALL MEETING

Combined with the first fall meeting of Theta Theta Chapter of Beta Sigma Phi was a picnic supper last night at Wilson Park.

Eleven members attended and Miss Sadie Hagopian was presented with a "secret pal" birthday gift.

The next regular meeting will take place in the home of Mrs. Ella Eshin, 2221 Washington avenue, Sept. 28.

TEA FOR PARENTS AT NIEDRINGHAUS SCHOOL

Approximately 70 persons attended a tea given by the Niedringhaus school PTA board Tuesday evening for parents of the kindergarten classes.

A new teacher, Miss Jacobs, was introduced by the PTA president, Harold Hilmer, as was the school principal, Genoa Bushue. Miss Jacobs spoke to the parents on the topic "What to expect during the kindergarten stage."

FORMER RESIDENT HERE

County Board Adopts \$2,668,157 Budget

A \$2,668,157 annual budget—over \$85,000 in excess of that of a year ago—was voted Tuesday by the Madison county board of supervisors in session at Edwardsville.

The appropriation, covering the fiscal year which began Aug. 1, was adopted without debate. Assistant Supervisor John Graham of Granite City did not oppose the \$800 investigation allowance for the state's attorney office. He had been expected to do so.

The board likewise adopted a tax levy measure, designed to raise a total of \$1,845,507 in general and special taxes for operation of all county departments—including the tuberculosis sanatorium—for the fiscal year which ends next July 31. The figure is \$141,468 higher than the 1959-60 levy.

The budget sets up general fund appropriations of \$1,338,782, including a \$10,000 allocation for county zoning study, a last-minute entry.

It was explained that a major item of expense boosting the budget total included \$192,000 for pay and allowances of justices of the peace under a new law.

The board authorized issuance of \$547,000 in tax anticipation warrants, getting the bulk of the warranty money, the general fund was authorized to issue \$500,000 in warrants, bearing 2 1/2% interest.

SEPTEMBER BRIDE, Mrs. Donald Gargac, the former Mary Ann Mikulas, a daughter of Mr. and Mrs. Paul Mikulas, 24 Briardiff, who was married Saturday at Sacred Heart Catholic Church.

Lybarger-Marshall Nuptial Ceremony Yesterday Evening

Miss Rita Marshall, a daughter of Mr. and Mrs. George W. Marshall, 1040 Third street, Venice, and Charles Lybarger, whose parents are Mr. and Mrs. George Lybarger, 1538 Fifth street, Madison, were married last night at the rectory of St. Mark's Catholic Church in Venice.

Rev. Robert McCarthy performed the ceremony at 6 o'clock, and a small reception for the families was held afterward at the home of the bride. Attending the couple were Mr. and Mrs. Thomas Murray, brother-in-law and sister of the bride. For her wedding, the former Miss Marshall wore a light blue satin dress, Street length, it was made with cap sleeves, a V neckline and a full skirt. A small blue hat and veil complemented the costume, as did a white orchid corsage.

Mrs. Murray was in a beige silk sheath dress, a green hat and accessories and a white carnation corsage.

The newlyweds will reside at 2223 Fourteenth street, Granite City. The bride, a graduate of the Venice high school, is employed in the offices of the International Shoe Co. St. Louis. Mr. Lybarger is employed by the New York Central Railroad in East St. Louis. He received his education in the elementary and high schools of Madison.

Mental Health To Be PTA Topic

Operation of the local mental health center will be the topic of an address to the Washington grade school Parent-Teacher Association at 7:30 p.m. Monday, Sept. 19, in the Washington gymnasium. The speaker will be Mrs. Jo Crouch, a member of the clinic staff.

In addition to discussing the clinic, Mrs. Crouch will cite examples of child psychology and will answer questions from the audience. Both PTA members and the general public will be welcomed at the meeting. Mrs. Mary Davis will preside.

SOCIETY Granite Chapter OES Meets Mon.

Members of Granite Chapter 650, Order of Eastern Star, were guests of Mrs. Bess Henley at the Rose Bowl Monday evening. Eighteen were present, including the worthy matron of the chapter, Mrs. Mary Ellen Lewis. Topics discussed at the first fall meeting consisted of plans for the next three months, including a party, a daytime chartered bus trip to TV Station KSD and the annual Christmas party.

Announcement also was made by Mrs. Lewis of a "guest night" for the chapter on Sept. 23. During the social hour following the business session there were games, and prizes were won by Mrs. Sadie Jones, Mrs. Clara Harbige and Mrs. Esther Magness.

Etude Music Club Begins Season

The Etude Music Club began the 1960-61 season Monday afternoon with the opening meeting in the home of Mrs. E. F. Reiske, 2635 State street.

After the usual dessert luncheon the meeting was called to order by Mrs. Edith Schell, president, and Mrs. John Tate, the program chairman, announced the year's study topic, "Music Miscellany."

The narration for the day was given by Mrs. Kereh on "Current Musical Events" and Mrs. Tate played two piano selections, "Joy of Love" by Martini, and "Maretta's Waltz" by Puccini.

Oct. 4 will be the next date of the meeting and the hostess is to be Mrs. Ernest Karandjef, 2607 Cleveland blvd.

FREE TOUR LITERATURE AT HOLIDAY SERVICE.

Opti-Mrs. Club Opens Season

A meeting in the home of Mrs. Agnes Bowler on Rural Route One Monday evening marked the opening of the season for the Daybreak Opti-Mrs. Club.

A guest night dinner Oct. 10 at the Rose Bowl was discussed, as were other plans for the season. The remainder of the time was spent at games with prizes going to Mrs. Becky State, Mrs. Lillian Fredericks and Mrs. Nora Sturman.

Refreshments were served to 12 members and a prospective member, Mrs. Carolyn Moski.

VISITS MOTHER
Mr. and Mrs. Edward Grisham, 2320 Cleveland blvd., returned Tuesday from Ponch Orchard, Ark., where they spent several days with Mrs. Grisham's mother, Mrs. W. Z. Barnes.

ARABESQUE

JUST
2⁵⁰

ARABESQUE is for every fashion . . . every figure. Truly French in design, it's just about everything a woman could want in a bra. The cups are embroidered in a lovely floral pattern. Circular stitched and spoke-stitched too . . . offers you a lovely contour. Bias-cut insert between cups gives broadcloth unusual flexibility . . . stays firmly but nicely in place. Under-the-cup broadcloth bands join with center elastic for superb support . . . custom fit all the way around! Arabesque adjusts to three different fittings . . . feels so good, so firm, Arabesque . . . the bra that gives you the figure of your dreams! All this and it costs just 2⁵⁰ While all cotton broadcloth.
A, B, and C cups.

NURSE GRADUATE, Miss Marjorie Misselhorn, a daughter of Mr. and Mrs. Albert Misselhorn, 2909 Grand avenue, who was graduated this month from the Lutheran Hospital School of Nursing in St. Louis. Since her graduation, Miss Misselhorn, with her sister, Barbara, has been visiting friends in Albuquerque, N. Mex. When she returns at the end of the week she will be a member of the nursing staff at St. Elizabeth Hospital.

Woehler Corp. Production To Be Resumed Oct. 1

Production of outdoor lawn furniture at the Woehler Corp. plant is expected to be resumed about Oct. 1 following a seasonal shutdown to modify production lines for new models. It was learned this week from C. D. Brown, plant manager. At present, the only workers at the plant are those making models and samples of next summer's furniture and maintenance personnel.

New Items To Be Added
Brown said there will be considerable modification in the lines being produced, and many new items are being added. Types of new items were not disclosed.

Operations of the firm in the Granite City Industrial Center, the old Nesco building, have been curtailed for several weeks. "It's routine changeover, just as in the automotive industry," Brown said. During the busy season earlier this year, the plant operated with three shifts, and employed 577 persons. Brown said he did not know at present how many workers would be recalled when production is resumed on a limited scale next month with operation of one shift.

R. B. Christian, 32, Dies in New Mexico

Robert B. Christian, 32, of East Alton, died Sunday at Farmington, N. Mex. Death was attributed to natural causes. He had been a longtime Granite City resident.

A native of St. Louis, Mr. Christian had been a resident of East Alton for the past 12 years. He was a bricklayer and a veteran, member of the Venice-Madison American Legion Post 307.

He is survived by four minor children, Robert W., Richard, Jack and Jannell, of Shreveport, La.; two brothers, Sgt. Eugene A. Christian, Camp Lejeune, N. C.; and John R. Christian, East Alton, and his parents, Mr. and Mrs. John Bettag, East Alton.

The remains are being brought here for final services. Details will be found in today's obituary column.

"I never think of the future," said Dr. Albert Einstein. "It comes soon enough."

Voter Registration Centers Set Up In Quad-Cities Area

To simplify registration of new or unregistered voters who plan to take part in the Nov. 8 general election, six regular and seven special centers will be set up in the Tri-City area today through Monday. It was announced by County Clerk Eulalia Hotz.

The regular centers will be open Monday through Friday until Oct. 10, deadline for registration, from 9 a. m. to 5 p. m. Special centers, to aid prospective voters who find the regular hours or locations inconvenient, will be open at various times. The listing follows:

Regular Centers
Granite City — City Clerk A. Stevens, city hall; Mrs. Irene Snider, 3829 Nameoki road.
Madison — Edward J. Miller, city hall; Dennis Nicholas, 1804 Fourth street.
Venice — Mrs. Florine Musick, 800 Lincoln avenue; Mrs. Audress Brown, 801 Fourth street.

Special Centers
Friday, Sept. 16
Venice — city hall, 7 to 9 p. m.
Madison — Memorial Center, Third and Washington streets, West Madison, noon to 8 p. m.

Saturday, Sept. 17
Granite City — police firing range, 1900 Poplar streets, 1 to 5 p. m.; Niedringhaus school, 8th and State streets, 9 a. m. to 5 p. m.
Madison — Joseph Grenzer homes, Washington avenue and Market street, 9 a. m. to 5 p. m.; Memorial Center, Third and Washington streets, noon to 8 p. m.

Group Supporting Bond Issue Meets Monday
Members of a Granite City committee promoting the Nov. 8 university bond issue will meet at 8 p. m. next Thursday in the offices of the Lambert Realty Co., 1651 Madison avenue. The committee was organized about two weeks ago and elected Andrew Gasparovic III, local real estate and insurance salesman, as chairman. Interested persons are invited to join. Other members of the committee in its initial stage are George Filcoff, Harry Cottrill, Paul Wisch, Alfred Krumalek, Robert Moske, Joseph Hanson and Leonard G. Scroggins.

College Credit Courses

To Be Offered On TV
College credits will be available to Quad-Cityans via television.

Beginning Sept. 25, Channel 5 will telecast algebra and chemistry courses from 6:30 to 7 a.m. Mondays through Fridays, and viewers may get college credit for participating in the course. Roy A. Pelston, manager of the Southwestern Bell Telephone Co., explained today the telephone utility, other companies and the American Association of Colleges for Teacher Education are sponsoring the "Continental Classroom."

For Quad-City viewers, Harris Teachers college, St. Louis, will offer credits for continental classroom courses. Among the courses to be offered are "Modern Algebra," "The Teaching of Modern Algebra" and "Modern Chemistry."

Missouri Man Posts

\$200 Cash Bond Here

Cash bond amounting to \$200 was posted Monday by Roger W. Dearmont, 25, of West Alton, Mo., who was arrested Saturday night by county authorities and booked at Granite City on charges of reckless driving and leaving the scene of an accident. The warrant was filed by Alfred Goble, 2900 Faith avenue for his 16-year-old son, Alfred, following a traffic accident on U. S. Highway 67A near the A. O. Smith Corp. plant Saturday evening. It was reported. A hearing on the charges was set for Sept. 24.

A United Fund Agency

Red Cross Is Refuge For Disaster Victims

In two situations people always feel friendless — after a disaster and when in a strange city.

Perhaps the situations and feelings are irremediable, but at least one social agency — the Red Cross — is trying to do something about them.

For service men stationed away from home and for disaster victims, the Red Cross, supported in the Quad-Cities by the United Fund, is more than a friend; it is a refuge.

The main reason for the existence of the agency is to provide home service for men in the armed services and relief in time of calamity.

But these major services are only two of the ten provided by the organization in this area. It also offers classes in first-aid and water safety, sponsors the Junior Red Cross and a blood bank at the Granite City Engineer Depot, a Travelers' Aide station and sends volunteers to the Depot as Canteen, Motor, Staff and Volunteer Nurses Aides.

Many Quad-Citizens probably are not aware of the home service through which the Red Cross helps the families of men and women in the armed forces and veterans to meet personal and domestic problems. But they need only ask a serviceman at the Depot to discover its significance in their lives.

Process Leaves
All emergency leaves, extensions and "compassionate transfers" go through the Red Cross office. A compassionate transfer is the sending of a member of the armed services to a military base closer to home in cases of emergency when the service man's presence is needed.

The role the agency plays in this case is the verification of information sent to it by the military authorities. If, for example, a man from Los Angeles was stationed at the Engineer Depot and received word that

a death had occurred in the family, he would apply for an emergency leave. Mrs. Ruby Overbeck, executive secretary of the local Red Cross chapter, would wire the chapter in Los Angeles for confirmation of the death (over the Red Cross teletype system called AMCROSS). Then, in a matter of hours, return word would be received here and forwarded to the Depot.

Red Cross neither approves nor disposes leaves; it verifies the need for them. All decisions are made by the military authorities. Around Christmas time the chapter also aids servicemen and their families financially. It has a revolving home service fund from which loans and grants made last year totaled over \$5500.

Various Types Of Grants
The reasons the chapter makes financial grants are as diverse as the types of human personalities. Around Christmas time last year, a serviceman, separated from his wife, asked the chapter for financial aid in order that he might be able to buy gifts for his five children. The Red Cross contacted the military base and the man's wife. The couple agreed to go back together and for a year present the family was furnished housing, toys for the children and clothing. They are still together.

Most often, though, only loans are needed by the servicemen. Sometimes a mix-up occurs when they are transferred and the monthly allotment does not arrive or the amount is incorrect.

The second main area of service provided by the Red Cross is its preparation for an emergency or natural disaster. By disaster, the agency means any misfortune, such as a fire, earthquake or tornado which effects five families or more.

Emergency Aid
The program makes available assistance for communities in preparing for such a calamity and in supplying emergency aid when they are transferred and the monthly allotment does not arrive or the amount is incorrect.

Last year, the chapter handled two local "disasters" caused by

fire, one in Eagle Park and the other on Kerr Island. For the two, affecting ten families, the chapter expended about \$1500 for food, clothing, and household furnishings.

In the chapter's first-aid classes, 164 certificates were issued last year. The classes included sessions for Girl Scout leaders, civil defense directors and auxiliary policemen.

Two of the instructors accompanied Boy Scouts and their leaders to Camp Sunnen on a weekend. They treated sunburns, cuts, bruises and assorted other minor injuries. For the two annual horse shows held here, the agency set up and manned a first-aid station.

Water Safety
In the water safety program, 233 certificates were issued last year, including 66 senior life-saving and 23 for water safety instructors. This year, the program has been widely expanded with the addition of a swimming course being taught at Wilson Park and at the Paddlers' swimming club. Previously, only the Depot and the YMCA held the courses. Also, one local instructor is now capable of teaching handicapped swimmers.

Area high schools each year enroll students in the Junior Red Cross. The high school groups visited the Scott Air Force Base Hospital about seven times last year to entertain patients there. They also have visited nursing homes and orphanages in the area, and at Christmas they send gifts to the Lincoln state school.

Junior Red Cross enrollment is taken once each year in the Quad-Cities' elementary schools, and magazines and literature are sent to the schools for the pupils' use.

Gifts For Overseas
Gift boxes are distributed annually in the grade schools and are filled with small articles, toys, soap and sent overseas to children of other countries, explaining they are gifts from American children.

And last year, the chapter sent six Junior Red Cross members (two from each high school)

RED CROSS swimming courses are conducted regularly at the YMCA pool under "Y" sponsorship, in cooperation with the Tri-City Chapter of the American Red Cross. Certificates are shown being presented by Red Cross instructors Bob Roberts (far left) and Fred McColligan (second from right). At the far right is Mrs. Lee Pfaff, YMCA women's director and water safety chairman of the Red Cross chapter.

In the other photograph, an Engineer Depot soldier is giving a pint of blood at a mobile unit operated by the Red Cross. A cooperating blood program for the Quad-City area currently is being discussed by the Red Cross and St. Elizabeth Hospital; the proposal does not involve a blood bank, and the present hospital blood bank is to be continued without change.

The lower picture shows another phase of Red Cross activity. Jane Duboise and Phil Smith reign as queen and king of a Junior Red Cross dance at Venice high school.

Three times a year, the agency holds blood banks at the Engineer Depot. Although the chapter does not have a blood program in this area, St. Elizabeth Hospital accepts blood on a replacement basis. If a person has a card stating he has donated blood within the year, his immediate family is protected for a year.

As the local Travelers' Aide representative, the chapter receives no reimbursement. Volunteers form five supporting services for work at the Depot of anywhere else they might be called.

The ladies of the Canteen work in the kitchen during blood banks and are ready to prepare meals on a half-hour's notice for disaster victims. Motor aides help the assembly who drive the blood bank, disaster and service vehicles throughout the year.

Staff aides keep books and do office work as well as keep records during the blood banks. Volunteer nurses conduct the

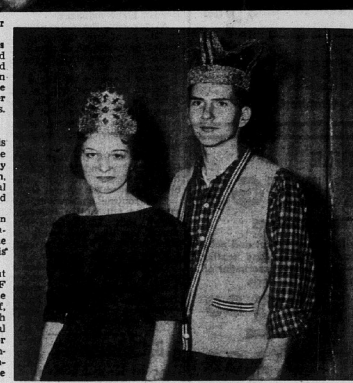

banks and are available for emergency call anytime.

Mrs. Overbeck, the chapter's executive secretary, has served in that position for a year and half, previously serving seven years as office secretary. The current secretary, the only other salaried staff member, is Mrs. Mildred Meehan.

Chapter Budget
The chapter budget for this year is \$26,777, of which the total amount is contributed by the United Fund. Of this sum, \$14,276 is forwarded to national headquarters and \$11,501 is used for local purposes.

For 1961, the budget has been set at \$28,768 with the tentative UP allocation \$24,816. The remainder will come from this year's budget balance.

Aside from the amount sent to national headquarters, the UP contribution is used for the salaries of the two-member staff, a \$500 disaster reserve which is supplemented by the national office blood program, Junior Red Cross, entertainment expenses for Scott patients, rent, insurance, utilities, maintenance and office supplies.

Pilot Committee of Bi-State Meets Today

A day-long session of the 22-member Pilot Committee of the Bi-State Metropolitan Area, appointed last year by the presidents of Southern Illinois University, Washington University and St. Louis University, is being held today at the Statler Hotel in St. Louis.

Frederick Aschman, Chicago planning consultant, who assisted in preparation of the Metropolitan Plan Association Development Guide, is appearing before the committee to help crystallize a program of planning for the bi-state region.

Scheduled are sessions with the Pilot Committee, its advisory subcommittees and the advisory board. Arrangements for a luncheon visit were made by Philip Shatts, president of the Metropolitan Plan Association, which played a significant role in establishment of the Pilot Committee by the universities.

Opens Barber Shop

James Tadlock is announcing the opening this week of a two-chair barber shop at Nevada street and Rock road, across from the West Granite fire station.

Serving on the Pilot Committee are 11 members from Illinois and 11 from Missouri. The Quad-Cities area is represented by C. E. Townsend of the Press-Record.

GO TO CHURCH SUNDAY

County's Sales Tax Balance Near \$100,000 Mark

County sales tax receipts totaled \$17,183 for June, a record monthly figure, increasing the sales taxes received for the Madison county treasury to \$99,362, Miss Eulalia Hotz, county clerk, announced Tuesday.

Of the \$99,362 accumulated since the half-cent tax went into effect in unincorporated areas on Oct. 1, 60% or \$59,617 has been set aside for construction of a county juvenile home, Miss Hotz said.

The other \$39,745 is earmarked for two projects — improvement of the county jail and renovation of the county courthouse.

The first income, received at Edwardsville in January and based on October tax liability, amounted to \$10,150. Other figures have been \$946 for November, \$896 for December, \$8895 for January, \$9837 for February, \$11,923 for March, \$11,105 for April, \$10,856 for May and the \$17,183 for June.

Forfeits Cash Bond

Frank D. Raynor, 26, of 1729 Courtenay blvd., who was arrested Monday at East 23rd and Henry streets on a charge of careless driving, forfeited an \$11 cash bond. He was scheduled to appear for a hearing before Police Magistrate Gasparovic the same day.

Hearts Meet State Savings Here In Inter-City Division Playoffs

The five-week grind toward possession of the President Vernon Lucas Cup, currently held by McAtter Glass of East St. Louis, will begin Sunday as four of the six Southwestern Illinois Inter-City Baseball League clubs remaining in the playoffs meet in games at Granite City and East St. Louis.

The host clubs Sunday will be McAtter Glass in the Blue division and Sacred Heart in the Red loop. The Glasmen will play White City, while the Hearts will meet State Savings and Loan of East St. Louis at Wilson Park at 2 p.m. Sunday.

Idle during the first week of the playoffs because of championships won in their respective divisions will be Granite City's Mercer Funeral Home and McAtter Glass of Collinsville. A single "post-playoff" between Highland and White City became unnecessary this

week when Highland gave three place to White City, since five of the VFW ballplayers were returned to college.

The decision was made during a league meeting Tuesday night in East St. Louis. White City also gets the division third place trophy. All second and third place awards will be given out at Sunday's games.

The following Sunday, Sept. 25, the winners of games this weekend will tackle the division champions in a one-loss-and-one game arrangement. Mercer and McAtter will be at an advantage, since their home diamonds will be the site of the games.

On Sunday, Oct. 2, the first game in a best two-out-of-three series between the survivors of the division eliminations will be played on the Red division team's home diamond. On the following Sunday, the two teams will play on the Blue squad's layout. If a third game is necessary, it probably will be played on a neutral diamond.

Tickets On Sale

For Illinois FB Homecoming Trip

Twenty-five tickets to the University of Illinois' homecoming football game with Ohio State in Champaign on Oct. 8 are still available to local fans. Park District Recreation Director Harold Brown said today.

Priced at \$7.50 each or \$15 per couple, the tickets include bus transportation to and from Champaign and admission to the game. Seventy-nine of the tickets have already been sold.

The trip to the Illinois homecoming is being sponsored by the Granite City park district. No deadline on ticket purchases has been set, and the tickets remaining may be purchased at the park office or reached by telephone TR 7-3053.

Brown said two chartered buses will transport the football fans. The buses will begin picking up individuals and groups of fans at their homes early the morning of the game, and are scheduled to leave Granite City about 7:30 a.m. They will return here after the game.

Talk On Judo Merits

Toastmasters Award

Earl Tucker captured the weekly speaking award of the local Toastmasters club Monday evening, talking on "Judo" during a dinner meeting at Cline's.

Other speakers were Earl Lee, "Election Predictions," and Herman Greve, "That Murderous 4%." Dr. Claude Hiles was toastmaster. The club's semi-annual election of officers and next Monday's meeting.

CIVIC LEAGUE

MADISON LANES, MONDAY

Schultz 3, Owens III 0; Duffin Bros. 2, Smiths Five 0; Falkstaff 3, The Orphans 0; Modern Furniture 3, Madison Amusement 0; Duffin Bros. 2, Perdue 1.

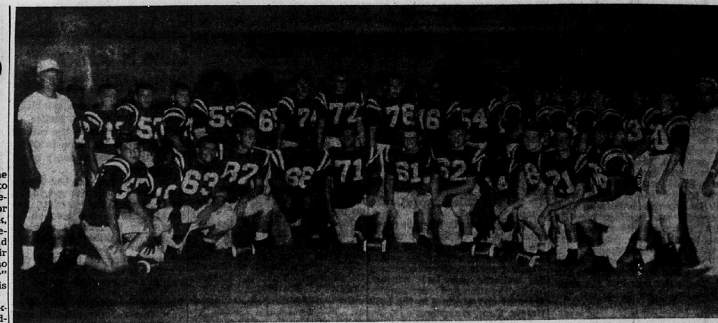

Chas. Tregel 62, 224, 212; Joe Mikowski 605, 217, 201; Paul Kacera 621, 220, 200; Pete Shemon 211, Ruby Stinac 227, Snowden 201, Joe Krystofa 201, 207; Ed King 227, Leo Norman 228, 214; Williams 213, Angelford 203, Robertson 203, Thompson 202, Farley 201, Sykes 220, Bogovich 202.

Giant Mgr. Announcer To Attend Salty Parker Fete

Russ Hodges, who does the radio commentary beamed to San Francisco when the base ball Giants are on the road or at home in Candlestick Park, and Giant Manager Tom Sheehan are the latest sports world notables who have added their names to the list of those who will honor Granite City's "Salty" Parker here and in St. Louis over the weekend.

Hodges will be the main speaker at a Saturday banquet lauding the former major league and current third base coach for the west coast National League, while Sheehan will accompany several of the players he manages to the smorgasbord, set to begin at 6 p.m. Saturday in the Granite City high school cafeteria.

Others on hand at the speaker's table will be Earl Broglie and Bill White of the Cardinals, plus Joe Amalfitano, Willie McJee, Jim Davenport and Coach

MADISON VARSITY football squad, which will travel to Edwardsville tomorrow night to battle the Bengals in the 1960 opener. Front row (left to right) are Head Coach Glen Pickering, Nick Pavlov, Carl Droyton, Sam Dymos, Shirley Barton, Willard Woolfolk, Frank Kitchen, Mike Harris, Norman Stawer, Ken Griggs, Terry Andrews, Mick Graville, Ed Walker and Assistant Coach Joe Asperger.

Madison Travels To Edwardsville Friday For Traditional Opening Game Clash With Tigers

Madison's Trojans will be seeking revenge for a 12-0 defeat suffered last year, and the Edwardsville Tigers will attempt to accomplish what Bengal squads have never been able to do—the post—stop the Trojans twice in succession—tomorrow night. The two high school football aggregations, traditionally early season rivals, will open the 1960 season in a non-conference game at 8 p.m. Friday in Edwardsville.

From all indications, the game will be wide open, but low scoring. Rival coaches Glen Pickering and Madison's Benny Iselhardt are the senior players and their teams lack depth and experience, but add that the potential is there.

Both backfields are "green." Edwardsville's only letterman among the quartet named as starters is the senior, Ed Walker. Halfback Carl Droyton, a transplanted linebacker this season, will be the mainstay, Pickering said. "He's just a junior, but is fast and has a full year of experience behind him," Griggs said. "He's just a junior, but is fast and has a full year of experience behind him."

The four lettermen up front include All-Conference End Ed Walker, Tackles Willard Woolfolk and Mike Harris and center Shirley Barton. "You'll see quite a bit of Terry Andrews at fullback, too," the Madison coach predicted. Andrews is a big sophomore with speed who sparkled on the freshman team last fall. Madison's defense will be built around 275-pound tackle Willie "Tojo" Boyd.

Until Monday of this week, the Trojans devoted most of their practice time to offense, not unusual since most are taking a crack at the wing-T for the first time.

On Tuesday and Wednesday, the Trojans will be working on the line. The line is worthy of note. Madison forwards average 150 pounds, and Edwardsville line men only 165. The Trojans also have a slight edge in the backfield in weight, but probably not in speed.

TRI-CITY CHURCH LEAGUE BOWLING LANES, MONDAY Netherland Meth. #1, 3, Third Baptist 0; St. Peter's E. Park Touch Football Teams To Organize Saturday Morning

Registration and individual tryouts for teams in two age groups of the Granite City park district will be held Saturday morning for boys will be held Saturday at 9:30 a.m. on the softball field in Wilson Park.

The two leagues will be set up for players aged 9-10 and 11-12. Park Recreation Director Harold Brown said younger boys will be allowed to try out and may make one of the 20 teams if they qualify.

Also to be arranged Saturday are playing schedules in both leagues. Actual competition will begin the following Saturday morning on a 70x35-yard playing field along Fehling road. The games will be made up of four 10-minute quarters.

If interest warrants, Brown said another playing field will be established. Six-man teams will be used by each entry on offense, and another six boys will form the defensive team. Rosters are limited to 12 players.

Registration and tryouts will be assessed by the officials in case of rule infractions. A team must advance the ball 20 yards to win a new series of downs.

FOOTBALL will be furnished by the park recreation department, which also will provide game officials. The program is offered free of charge to boys who are residents of the park district.

County Police To Meet

Monthly meetings of the Madison County Police Officers Association will be resumed at noon Thursday, Sept. 22, at the Moose hall in Wood River. Roxana police will be hosts.

49 Names On Ballot For Nov. 8 Election

Forty-nine names will appear on the official ballot for the Nov. 8 election here. A copy certified by the state has been received in the office of Miss Thelma Holtz, county clerk.

The Democratic and Republican parties each list 19 names for national, state and county offices, and the Socialist Labor party has 11 candidates. In addition to the main ballot, there will be separate ballots on state university and welfare bond issues. There also is expected to be a ballot on establishment of a county health department.

Registration of voters is underway, and the deadline is Oct. 10. Those not listed on the registration rolls on or before that date will not be allowed to vote.

United Fund Sponsored

Student Essay Contest Deadline A Week Away

Senior English students of high schools of Granite City, Madison and Venice can win free football game passes and a \$25 U. S. Savings Bond in a "My Favorite United Fund Agency" essay contest announced by the Tri-Cities Area United Fund.

All the students have to do to enter and be eligible for one of the prizes is to write an essay—and keep it within 200 words—telling their preference among the welfare, social service, health, youth and community agencies and services in the 1960 United Fund campaign.

It is not only an exercise in English composition, but a community service, as it gives a student an opportunity to point up the good and distinctive services of one of the Fund affiliates.

Sept. 23 Deadline
The deadline for turning in essays to high school teachers is Friday, Sept. 23. They, in turn, must have the contest entries in the United Fund office not later than Friday, Sept. 30. Prizes, well worth a real literary effort, include three pairs of reserve seat tickets to a St. Louis Cardinals football game and to the top rated essay, a \$25 U. S. Savings Bond. Students submitting the best essay in each of the three schools will receive the pair of free duets.

Judging of the entries will be on the basis of sincerity, originality and aptness of thought. Judges will be high school English teachers and members of the Tri-Cities Area United Fund Publicity Committee. Their decisions will be final, and all essays become the property of the United Fund.

It is emphasized that essays should tell why a particular Tri-Cities Fund agency is the favorite of the writer.

Contest essays are to be written at home, not a part of classroom exercises, and teachers will choose the two outstanding ones from each class, and pass them on for judging.

Member agencies of the Tri-Cities United Fund are: Boy Scouts, Girl Scouts, Madison Teen Town, "Y" Teen Town, YMCA, Boys Town of Illinois, Coordinated Youth, Catholic Charities, Protestant Welfare, Salvation Army, Aid to Retarded Children, Mental Health Association, Health Services Fund, American Red Cross, AFL-CIO Community Services and Service Center and USO.

The Granite City Press-Record is carrying a series of articles on each of the agencies and these features may provide contestants with background material for their essays.

Telephone Usage Clinic Set For Next Week

A "Good Telephone Usage" clinic, co-sponsored by the Tri-City Chamber of Commerce and Southwestern Bell Telephone Co., will be held Wednesday, Sept. 21, from 3 to 4:15 p.m. at the YMCA.

Under the new JP system, if approved in final form by the county board next month, each of the five JP districts would elect only one justice of the peace, as opposed to the five elected in each township at the present time.

In addition, the JPs would draw a straight salary from the county. Currently the JPs' salaries are based on the amount of fees collected individually.

The board's legislation committee, headed by Nemoiki Township Supervisor Harry Briggs, is currently considering a proposal whereby annual salaries would be \$6000, with an additional \$4800 for clerical assistance and office expense.

Other members of the committee are Terrell, Granite City, Robert Miller of Granite City, Orville Oglesby of East Alton and Fred Johannstetter of New Douglas.

The program will include demonstrations by Miss Mundy on effective use of the telephone in a variety of situations, a color film, "A Matter of Speaking," and a question-answer period. Five different pamphlets also will be distributed by the telephone company free of charge covering situations such as telephone selling, receptionist and telephone usage in general, Dobry said.

C of C members have been asked to make their reservations with the office. Overall supervision of the clinic is being handled by Roy A. Pelster, manager of the Granite City branch of Southwestern Bell Telephone Co., St. Louis office.

New Telephone Books Being Distributed

Quad-City telephone subscribers this week got a fat, new, 122-page directory along with a sketch of a scene soon to be familiar to the home town folk. The directory's multicolored cover shows the East St. Louis-Belleville-Granite City Interchanges on new Interstate Highway 70.

It is by a former Granite City artist, Paul Knecht, now director artist for the Southwestern Bell Telephone Co.

But as regards matters statistical: A mountain of the new directories, 111,700 of them, is being distributed to Quad-City, East St. Louis and Belleville area customers, according to Ray A. Pelster, telephone company manager.

Of that number, 23,000 will find "homes" in the local area and in large, black type proclaim Granite City, Madison, Mitchell and Venice as their particular province, although listings cover a much wider region.

The new directory contains more than 84,400 listings—from A-able Auto Driving School to Frank Zych's Last year, 86,800 numbers were carried.

Each of the local area cities received the same alphabetical listings of subscribers (white pages), but different classified listings (yellow pages) are provided to fit Quad-City needs, Pelster explained.

Granite City PRESS-RECORD Page 30 Thurs., Sept. 15, 1960

Action In October On New JP Districts

Final action in the establishment of five revised justice of the peace districts in the county is expected to be taken in October by the Madison county board of supervisors.

The board has reached agreement as to minor changes in the boundaries of the districts, necessary before the election of JPs' early in 1960 as provided by new legislation enacted in Illinois.

Locally, one of the five districts as proposed by the board's legislation committee would include Granite City, Venice and Nemoiki townships, plus Precinct One of the Mitchell area of Chouteau township.

Others would be made up of Wood River, Moro and Fort Russell townships, together with all but Precinct One Chouteau township; Foster, Alton and Godfrey townships; Alhambra, Edwardsville, Hamel, New Douglas, Leet, Ombulgent, Olive, Marine and Pin Oak townships; and Collinsville, Helvetia, Jarvis, St. Jacob and Sallist townships.

Under the new JP system, if approved in final form by the county board next month, each of the five JP districts would elect only one justice of the peace, as opposed to the five elected in each township at the present time.

In addition, the JPs would draw a straight salary from the county. Currently the JPs' salaries are based on the amount of fees collected individually.

The board's legislation committee, headed by Nemoiki Township Supervisor Harry Briggs, is currently considering a proposal whereby annual salaries would be \$6000, with an additional \$4800 for clerical assistance and office expense.

Other members of the committee are Terrell, Granite City, Robert Miller of Granite City, Orville Oglesby of East Alton and Fred Johannstetter of New Douglas.

Man Stricken On Train DOA At St. Elizabeth

A man taken from a Chicago-bound GM&O train here Monday was pronounced dead on arrival at St. Elizabeth Hospital at 4:11 p.m., apparently of a heart attack.

Deputy Coroner Henry Pieper said the man stricken on the train was Chester E. Souley, 48, who was returning to Pontiac, Mich., where he was employed as a driver by the Truckaway Corp. He had delivered a truck to a firm in Cape Girardeau, Mo., where he boarded the train.

Mr. Souley's remains were sent to Bangor, Mich., early Tuesday for burial, Pieper said. He said that as far as he knew, the man had not been under medical care. He listed his home address as Lawrence, Mich.

An inquiry will be conducted by Deputy Coroner Pieper. The date has not been set.

Fire Alarm At Nestle

A minor fire alarm was answered about 11 a.m. Tuesday at the Nestle Co. plant, 21st and Adams street, by firemen from the main station, who said the fire had broken out in the duct work for a coffee roaster. Plant workers, using a hose, extinguished the blaze, and no loss was given.

Mrs. Evanoff Wins \$150 Merit Award
In recognition of her "sustained superior performance," Mrs. Constance A. Evanoff, 2812 Center street, received a \$150 cash award Friday by the U. S. Army Corps of Engineers. She is employed in the corps' construction division. The award covered her work for a period from December 1959 to June 1960.

Mrs. Evanoff was the recipient of two previous awards, for suggestions for improvement of Army Corps office methods.

She is the mother of two sons, Charles and Steve, and the daughter of Mr. and Mrs. Curtis Williams, 2644 East 24th street.

Clothes Damaged By Fire

A fire at the home of Granite City fireman Hanell Bailey, 2120 Amos avenue, caused an estimated \$100 damage to a gas drier and clothing, according to Nemoiki road station firemen who answered the alarm about 9:25 p.m. Monday. Clothing piled on top of the drier caught fire, firemen said.

County Demos Discuss Finances, Registration

Finances and voter registration were the major topics of discussion Monday night at a meeting of the executive board of the Madison county Democratic central committee. Chairman Walter T. Simmons of Venice presided.

Gathering at the county courthouse in Edwardsville, the board mapped continued efforts to encourage registration of eligible voters, and decided to distribute campaign financial pledge cards.

The group discussed the scheduled visit here by Sen. John F. Kennedy, presidential nominee, on Oct. 3 and reviewed arrangements for Sen. Paul H. Douglas to deliver a series of talks in Granite City next Tuesday. The location of an AFL-CIO rally that night remains indefinite, it was reported.

SCREENS & STORM INSERTS REPAIRED, GRANITE CITY GLASS, 18TH & EDISON.

Bridge Renovation Will End By Late Fall

Completion of McKinley Bridge remodeling is anticipated by late fall, and contractors are hopeful that pouring of asphalt and concrete can be finished before cold weather complicates the task.

Engineers supervising the progress of work are centering their hopes on a warm and dry September and October, they told the Press-Record today.

Unusually adverse fall weather could make a fall completion date difficult to attain, they added.

Three Current Projects

The mammoth bridge improvement program currently is centered on three projects — construction of toll stations on Main street, Venice, by the General Contracting Co. of Granite City; installation of a single set of railroad tracks on the middle

spans by the Illinois Terminal Railroad Co.; and resurfacing construction on the western end by the Whiting-Turner Construction Co. of Baltimore, Md.

General and Whiting-Turner are the principal contractors, and Illinois Terminal agreed to replace the railroad line in selling the bridge to the city of Venice in November 1958.

Work underway on a widened area of Main street includes installation of resurfaces that will subdivide the number of vehicles passing the toll plaza, and pouring of concrete foundations for the toll stations.

The northern three lanes are to be opened first, with the work shifting then to the three southbound lanes of the plaza. As soon as the three northern stations are in operation, the toll stations on the St. Louis side of the bridge will be removed, ending the project.

When the train switcher is installed, Whiting-Turner will begin removing the northern tracks, replacing the sub-deck and installing a new deck surface. The northern track itself will not be replaced. Illinois Terminal, meanwhile, will complete final phases of its part of the work beneath the new tracks.

Whiting-Turner has finished half of its program of strengthening the bridge structure below the traffic lanes and is devoting much of its present efforts to installing corrugated forms on the formerly abandoned section of the St. Louis approach. This section, extending

from the western end to the Hall street abutment, will make possible four lanes of traffic on all parts of the bridge, instead of the present two-lane limit on the Missouri end.

The four-lane plan and expansion of the toll facilities is expected to expedite the flow of traffic over the river span.

Concrete, Asphalt Areas

In its work on the deck immediately west of the center section of the bridge, Whiting-Turner is replacing the roadbed and installing reinforcing rods preparatory to pouring of a new concrete surface.

When the remodeling is finished, there will be asphalt surfaces on both approaches and the middle two lanes in the center section. Concrete will top all other portions, augmenting the present concrete in the two outer lanes of the center span.

As during all of the remodeling, at least one eastbound lane and one westbound lane will be kept open at all times.

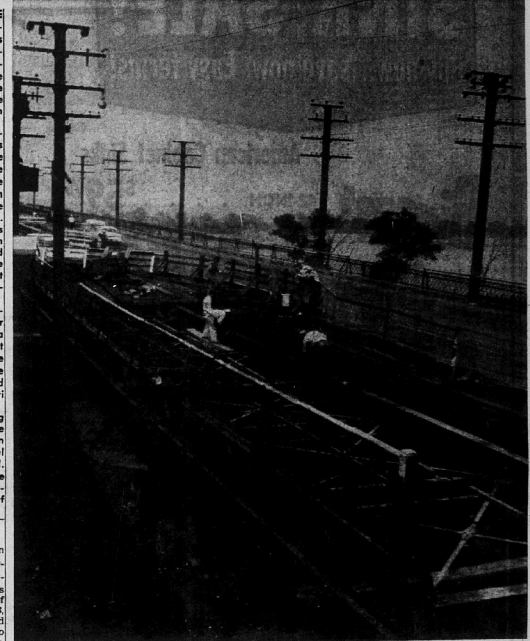

VARIED WORK ON BRIDGE

is progressing as contractors remodel the McKinley Bridge, its approaches and the toll facilities. The improvements are being financed from a part of the bond issue authorized by the city of Venice in purchasing the Venice-St. Louis river span in November 1958.

At the far left, workers construct a permanent set of tracks in the southern middle lane; the tracks still remaining in the lane of left will be removed after the new rail line is put into use. In the background is part of the Union Electric Co. power plant.

The next photograph shows the side of the Venice approach that formerly carried railroad tracks. The metal base structure was reinforced prior to the start of work on a new traffic surface.

At the upper right, toll station islands are shown under construction at a widened area of Main street immediately east of the Venice approach to the bridge. Six toll lanes will be created, eliminating the need for toll stations on the Missouri side.

Commissioners To Meet

The Cahokia Mound Boy Scout Council will conduct a scout commissioners' conference at Camp Sunnen, near Potosi, Mo., beginning Friday evening, Sept. 23. Ways of determining scout units' needs will be discussed during the meeting of neighborhood supervisors, which will end on Sunday, Sept. 23.

Troop Leader Training

A seven-week series of training sessions for Boy Scout troop leaders of the Cahokia Mound Council will begin at 7:30 p.m. Thursday, Sept. 22, at Camp Graham under the direction of Milton Morris, training chairman.

Rotarians Hear Role Of Insurance Agents

Travis Getlin, insurance instructor at St. Louis University, addressed the Granite City Rotary Club Tuesday noon at the YMCA on the role of the independent insurance agent.

"Because he is an independent agent, Getlin said, 'he can and does render service to his clients. He is their representative rather than in the employ of an insurance firm.'"

Getlin touched on the wide range of insurance protection that is offered to families and property owners, and also briefly discussed the conditions which compel Granite Cityans, with a paid fire department, to pay higher insurance premiums than neighboring Madison and Venice, where there are volunteer fire departments.

After his talk, he answered a number of questions from the audience. He was introduced by A. H. Gehlert, program chairman and local insurance agent.

Granite City PRESS-RECORD

Thurs., Sept. 15, 1960 Page 31

Exploding Gas Oven Burns Local Woman

An exploding gas oven burned the left wrist, right forearm and both hands of Mrs. Della Lindsay, 30, wife of Robert Lindsay, 2100 Miracle avenue Monday afternoon at her home. The burns were treated at the St. Elizabeth Hospital emergency room. She was one of four minor emergency cases at the hospital Monday.

Others were John Oneaky, 15, son of Frank Oneaky of 1724 Sixth street, Madison, who fell about three feet to the ground; David Stern, 4, son of Joseph Stern of 1902 Fifth street, Madison, treated for a cut scalp when he was hit by a rock thrown by a playmate; and Clinton Lewis, son of Veri Lewis of 705 Twenty-sixth street, who fell from a bicycle cutting his left eye.

3 Enlist In Navy

Howard Pinkerton, 17, a son of Mrs. Mary Frances Pinkerton, 2613 Sheridan avenue, Howard Koenig, 18, whose parents are Mr. and Mrs. Ed Koenig of State street, and Tony Cline, 18, a son of Mr. and Mrs. Howard Cline of East 25th street, who have enlisted in the U. S. Navy left Wednesday for boot training at Great Lakes. All are recent graduates of the Granite City high school.

The mountain republic of Andorra maintains its independence by paying an annual tribute of 800 francs to France and 400 pesetas to the bishop of Urgel, Spain.

Police Seek 'Peep'

A window peeper was seen about 9:10 p. m. Monday at a home in the 1600 block of Breckenridge avenue. Police searched the area but were unable to find the man described as being about 35 years old, partly bald and wearing a gray shirt and khaki trousers.

The tallest building in the United States, outside New York City, is Cleveland's 52-story Terminal Tower. It is 708 feet high.

The wisest choice for distinction

...at the wisest time for value

Cadillac owners have learned a fact that every motorist ought to know. The most distinguished of motor cars is also the Standard of the World for practicality. Cadillac craftsmanship provides the reliability, efficiency and longevity necessary for

minimum maintenance. And Cadillac's combination of timeless distinction and rugged long life produce the highest resale value of all. Your Cadillac dealer will tell you another reason—the pleasant news about today's delivered cost. See him today for the facts.

East St. Louis, Ill.

"How's this, Mr. D., do I get the part?"

You bet you do, sweetie. But don't you think you're over-acting just a wee bit? The part calls for a little more restraint. Restraint. That's the word. If all of us had more restraint—well on the other hand it would make for a pretty dull world, wouldn't it? Anyway, it's hard for us to be restrained when we talk about the water business. For instance, did you know that we test your water several hundred times a day to keep a running check on its purity and clarity? To be certain that it's as pure, colorless and odorless as modern science can make it? Well, we do. And the reason we do is that the health of the community depends on our vigilance. That's the part we play in the real-life drama of "Our Town."

Electrician In 'Fair' Condition After Fall

Lee McKinzie, 61, of Du Bois, electrician who fell ten feet to the ground at the Granite City Steel Co. Blast Furnace Division about 11:40 a. m. Monday was listed in "fair" condition Tuesday at St. Mary's Hospital, East St. Louis.

John Supler, construction superintendent, said McKinzie fell from the top of an electric control panel he was installing at the plant. One of several employees of the Guarantee Electric Co. working at the steel company, McKinzie suffered a cut to his elbow and complained of pain in his shoulders.

He was able to walk to an ambulance called to the scene, and was taken to St. Elizabeth Hospital prior to his transfer to St. Mary's Hospital. Personnel there did not know when McKinzie might be released.

Church In Madison To Mark 60th Anniversary

Festivities and services this weekend will mark the 60th anniversary of founding of the Nativity of the Virgin Mary Eastern Orthodox Church, 416 Ewing avenue, Madison.

Special guests will be His Grace, Bishop Dimitri, who will come here from New York. He will take part in vespers services Saturday, and will be honored at a tea that day by the Ladies Sodality of the church.

On Sunday, the bishop will officiate at a pontifical divine liturgy, followed by a church banquet.

Break-In Attempt At Market Fails

An attempted break-in at Blue Ribbon IGA Market, 2039 Illinois avenue, was reported to Granite City police Monday. Joyce Coffman, store clerk, discovered the attempted break-in when she found the rear screen door had been removed from its hinges and propped against the door.

Square Dance Clubs Plan Classes For Beginners

Granite City Square Dance Clubs, a non-profit group which sponsored an outdoor square dance here this month, is planning a series of programs to help acquaint the public with "personal and community value of this wholesome recreation."

One of the phases will be classes for beginners, with the first starting on Tuesday, Sept. 27, at the Sacred Heart social center, 2606 Washington avenue. Classes at other school, church and community centers are to be announced later.

Larry Allen Promoted

Word was received this week by Mr. and Mrs. Denver Allen, 1238 Robin street, Venice, that their son, Larry, who is with the U. S. Armed Forces, has received a rating of private first class and is now stationed at U. S. Air Force STARCOM Station in the Philippines.

TRY A CLASSIFIED AD

600% IMPROVEMENT in production of "inner chills" resulted from a suggestion by Philip Digralamo (left), Collinsville, machinist at the American Steel Foundries. He is shown receiving the final payment of a \$490 suggestion award, representing half of the first year's savings, from Al Steinhauer (right), assistant works manager. Digralamo suggested a device for bending quarter-inch round iron rods; the rods are used as chills in the production of cast steel side frames for railroad freight cars.

Graduates From M.B. Nursing School

Miss Virginia Wright, a daughter of Mr. and Mrs. George Wright of Columbus, Ky., and granddaughter of Mrs. John Viessman, of Lincoln avenue, has been graduated from Missouri Baptist Hospital School of Nursing in St. Louis. It was learned this week.

Miss Wright has been in Granite City frequently visiting her grandmother and an uncle and aunt, Mr. and Mrs. Sherley Harkey Jr.

Sand Spilled, Tiles Broken At Lybarger Co.

Several large tiles were broken, and a number of bags of white sand deliberately spilled on the floor at the Lybarger Material Co., 23rd street and Monroe avenue, according to a report Monday to Granite City police. Charles Lybarger, firm official, said he believed children were responsible for the vandalism. The tiles were in the yard and the sand in the warehouse itself, he said.

Civil Service Career Tests For Collegians

Applications for the 1961 federal service entrance examination are being accepted, the U.S. Civil Service Commission announced this week.

The examination, through which young people of college age may begin a career in the City frequently visiting her federal civil service, is open to college juniors, seniors and graduates and to persons who have had equivalent experience.

The first written test will be held on Oct. 15 for those who apply before Sept. 23. Five additional tests have been scheduled.

Nov. 10, Jan. 14, Feb. 11, April 15 and May 13. Those interested may obtain additional information and application forms at the Granite City postoffice.

About one-third of the nation's dairy cows two years old and over were bred artificially in 1959, an increase of 1.7 per cent over 1958.

A meteor that crashed in Siberia in 1908 broke windows 50 miles away and leveled trees in 1959, an increase of 1.7 per cent over 1958.

150th Mexican Anniversary Observed Here

The Mexican Honorary Commission of Granite City has scheduled two observances of the 150th anniversary of Mexican independence. It was announced this week. The anniversary of the 1810 event is today.

Quad-Cityans plan to attend a mammoth fiesta at 8 o'clock to night at Kiel Auditorium, St. Louis. The free program, sponsored by St. Louis Mexican groups, will be open to the public.

As the second observance, the local commission will sponsor an orchestra dance beginning at 9 p.m. Saturday, Sept. 24, at the Latin Quarters, 1801 Spruce street.

Also open to the public, this program will include playing of the "national anthems of the United States and Mexico at 11 p.m. Sept. 24, followed by regional dances of Mexican performance by young dancers residing in Granite City.

BRIDAL SHOWER
Miss Charlene Ballard was honored with a bridal shower Sunday afternoon at the American Legion Home in Venice. The shower was given by Mrs. Lois Hill and Mrs. Donald Marlette. The bride-to-be received many gifts. Cake, ice cream, tea and coffee were served to the guests.

Mr. and Mrs. Frank Hecht visited Mrs. Grace Hecht of Edwardsville road Sunday, and those present at a dinner at her home included Mr. and Mrs. Gene Hecht and family and Mrs. Norma Yelton and her daughter.

Mr. and Mrs. Bill Bone and children have been visiting in Van Buren, Mo., for several days.

Mr. and Mrs. Bentley Bone of Lincoln avenue spent the week-end visiting in Van Buren, Mo.

Undergoes Surgery
Mrs. Sophie Koesterer, 2333 Lincoln avenue, underwent major surgery at DePaul Hospital in St. Louis this morning.

Dates Announced For Absentee Ballot Forms

Procedures for obtaining absentee ballots for the Nov. 8 general election have been outlined by County Clerk Eulalia Hotz in a voters' guide distributed to each precinct committee, township and city officials, industries and labor unions.

Absentee ballots may be cast by persons who will be out-of-town on the election day, provided they are registered voters or provided they had resided in Illinois a year. Madison county 30 days and their precinct 30 days immediately prior to entering military service.

Servicemen and women home on leave and their dependents may vote in person at the county clerk's office in the Edwardsville courthouse from Sept. 28 through Nov. 5, between 9 a.m. and 5 p.m. The courthouse will be closed every Saturday except Nov. 5, when it will be open from 9 a.m. to noon for absentee voting only.

Armed forces personnel may apply by mail through Nov. 5, or a relative may apply on their behalf on a special application form available from the county clerk.

Civilian absent voters may apply for an absentee ballot from October 10 to Nov. 3 by mail or they may vote in person at the county clerk's office between Oct. 10 and Nov. 5. A voting booth is erected for such voting in the hallway of her office.

In the case of a physically incapacitated person voting an absentee ballot, one additional affidavit, from the attending physician, must accompany the application. Both forms must be notarized. Special affidavits are available for members of the Christian Science Church.

In the event an absent voter votes in person at her office, no fee is charged for notary services, Miss Hotz explained.

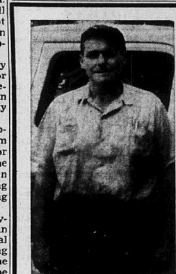

The first woman candidate for President of the United States was Victoria C. Woodhull, who ran on the National Radical Reformers ticket in 1872.

Grand Opening Underway At Drive-In Liquor Store

The second liquor store operated by Joseph and Lottie Postar, a frame and glass building at the intersection of Nameoki road and St. Clair avenue, is currently observing its grand opening, the owners said this week.

The store features self service, curbside service, carry-out orders and also stocks picnic staples in a refrigerated department. The store was in the process of renovation since June.

The new establishment will be known as "Smilin' Joe's" Liquor Store, the same name used by a similar outlet at 1904 State street which has been operated by the Postars for the past 27 years. The owners said the new store is the first of its type in this area to feature self service.

Eldon hopes to see his many friends and customers for Guaranteed Brake Service. Any customer who has a free brake adjustment coming from his previous business will be taken care of now at Andy & Johnny's Shop.

50 Attend County Baptist Group Meeting Here

A regular monthly meeting of the Madison County Baptist Association was held Monday night at the West 22nd Street Baptist Church. About 50 persons were present.

The first hour was spent in discussing business with Rev. George Sagen, pastor of First Baptist Church, in charge. During this time the third chapter of the book "Associational Guidebook," by S. F. Dows, was taught by Rev. Wilbert Snyder of Calvary Baptist Church.

During the worship service, which followed congregational singing was led by Rev. Kenneth McDaniel of the First Baptist Church in Madison, and special music was furnished by a quartet from the host church, Rev. Austin Fisher, pastor of the Bethesda Baptist Church, delivered the sermon. The meeting closed with prayer by Rev. Don

Shockley of the Maryville Baptist Church

A two-day annual meeting will be held Oct. 8-9 at Grace Baptist Church, 2600 Edward street, Rock, Ark., as guest speaker.

Highway, Industrial Safety Are Related, Speaker Says

Federal, state and local governments can learn a lot where safety is concerned from industry, L. C. "Red" Parker, safety director for Granite City Steel Co., told members of the Granite City Kiwanis Club in a speaking appearance before the group Monday at the YMCA.

Parker was referring to safety on the streets and highways, not in industrial plants, but said the attainment of higher standards of safety in both areas can be brought about by similar means.

Parker said there are five key words whose meaning is important in accident prevention. "Engineering" is one, he said, since highway and street safeguards can be engineered as can those in industry.

"Education" of the public was another pointed out by the speaker. The teaching of driver training, the proper operation of motor vehicles, safety meetings, publicly displayed bulletins and posters are all a part of this phase, he added.

LEGAL NOTICES

NOTICE OF CLAIM DATE

Notice is hereby given to all persons that the first Monday in November, 1960, is the claim date in the estate of **ANGUST P. McCULLOUGH**, deceased, pending in the Probate Court of Madison County, Illinois, and that claims may be filed against the said estate on or before said date without issuance of summons. Dated this 9th day of September, 1960.

DELORES McCULLOUGH, Administratrix

Attest:
DALE HILT, Probate Clerk.
JOHN G. DUFNER, Attorney. 9-15-22-29

survive if his car is equipped with safety belts," he said.

The third key word listed by the speaker was "enforcement." He said all traffic laws should be strictly enforced, "particularly those regarding the driver who drinks." Parker said one-third of all traffic fatalities in 1959 died because someone involved in the accident had been drinking.

"Enthusiasm" was the fourth point listed by the speaker, who said that the public should be kept constantly interested in highway safety. This can be done by contests between employees at the same business and by instilling pride in safe driving habits.

Establish Responsibility

The establishment of "responsibility" was the fifth necessary point, Parker felt. "In the last 10 years, 400,000 people have been killed on our streets and highways, and nobody feels responsible," he pointed out. Industrial safety responsibility is assigned "all the way down the line," Parker said, and added that the same thing should be done by national, state and local authorities.

Parker was introduced by William H. Herman, Club president. Francis Judd presided at the meeting.

The Kiwanians will bypass next Monday's meeting to attend a wrestling show at the Chase Hotel in St. Louis with their wives.

Recommendations Seat Belts

Parker said auto owners should take extra care in maintaining their machines, and come out in favor of the installation of safety belts as standard equipment. "Statistics show that a person involved in an accident has a five times better chance to survive if his car is equipped with safety belts," he said.
